PICNICS THIS WEEK

Much Good Being Accomplished by Educational Rallies and Picnics Held Conspicuously in the County.—The Schedule for This Week.—Rev. Plato T. Durham to Make Address.—Congressman Webb Invited. Mecklenburg county is a "great country" for picnics. Its citizens are intelligent, sociable, people and they believe in having a good time as well as in making money. During the last two or three years it has been the usual thing to have an educational rally in conjunction with the picnics and an incalculable amount of good has been done the cause of education by this arrangement. There will be three picnics and rallies this week. The annual event at Derita will take place Tuesday, when a big basket dinner will be served and Rev. Plato T. Durham, pastor of Trinity Methodist church, will make an address. Hon. E. Y. Webb has also been invited to address the people, but his presence is not assured. In the afternoon there will be a game of baseball. At Back creek, Wednesday, Revs. Plato T. Durham and William Duncan and Prof. A. T. Allen will address the people, after which an abundance of good things to eat will be served in picnic style. The biggest event of the week in the county will be the annual Sharon picnic and the dedication of the new building for Sharon Academy. The new building is a two-story structure, with two school rooms on the first floor and an auditorium on the second. The auditorium will be used as a lodge room by the local camp of Woodmen of the World, which bore half the expense of the building. Dr. B. P. S. Dixon, the popular State Auditor, will make the address of the occasion and Dr. Henry Louis Smith, of Davidson College, will also probably be present and make a speech. Among the other exercises will be the presentation to the school of a flag and Bible by the Junior Order United American Mechanics. The Steele Creek Band will furnish the music for the occasion. There will be a big educational rally and picnic at Matthews August 1st. Elaborate arrangements are being made and a large crowd is expected.

Large advertisement for THE GREENSBORO LIFE INSURANCE CO. Features a seal with 'A SQUARE DEAL TO EVERY MAN' and 'THE SEAL OF PUBLIC APPROVAL'. Text: 'A SQUARE DEAL TO EVERY MAN', 'THE GREENSBORO LIFE INSURANCE CO.', 'Has Closed Its First Year With Over Four Million Dollars of Business IN FORCE'. This phenomenal record has never been approached by any other company in this territory and establishes beyond question the position of the Greensboro Life as THE LEADING HOME COMPANY. The largest net gain made by any company in this territory during the whole of 1905 was more than One Million Dollars less than the net gain of the Greensboro Life during its first year. The Greensboro Life has in force at the end of its first year more business than either of 75 per cent. of all companies operating in North Carolina has in force in this state. The Greensboro Life's unprecedented record is due to the superior merit of its Income Indemnity policy, and this large volume of business was secured by the personal efforts of THE FINEST AGENCY FORCE ON EARTH. The growth of the idea of life insurance in a home company means increased wealth and enlarged opportunities for the development of the State's resources.
