HOME WASHED CLOTHES and those done by the washer-woman are not clean, not given sanitary treatment, and they seldom look as white and nice as they should, owing to the fact that thorough rinsing is almost impossible for lack of time, facilities and water. Also they are SPÉCKED AND STREAKED by dust and smoke while hanging on the line to dry. Our "ROUGH DRY" plan saves you lots of time, worry and bother, and gives much more satisfactory results. Suppose you 'phone us to-day and let us tell you all about it. Model Steam Laundry
