ECZEMA. Dr. W. K. Gatewood, West Point, a., under date of October 21, 1902, writes:

I write to thank you for the two Water sent me last summer. I was suffering from a very bad attack of Eczema over my face and body, produced by an excess of uric acid. I consulted my friend, Dr. Hugh M. Taylor, of Richmond, Va., and by his advice I began to drink and bathe in the water you sent me, and I never had anything to benefit me more. After using two cases I was entirely cured, and have had no return of the trouble. My skin now s as smooth and as soft as a woman's have since then recommended it to several patients, and the results have been good and satisfactory. I thank you most cordially for the water, and will always recommend it to my patients for such troubles.
