WORK TO BEGIN IN TWO WEEKS

Chatham Manufacturing Company... Construction of Buildings Will be Pushed—Will be Making Blankets by April—George Penny Struck by Unknown Negro—Aftermath of the Circus... Will Recover—Twin City News Notes... Special to The Observer.

Winston-Salem, Sept. 4.—George Penny, of Greensboro, was stabbed in the breast about 5 o'clock yesterday afternoon by an unknown negro in front of the Winstonian, the new hotel. The negro fled and the wounded man, who was intoxicated, rushed into the office of the Postner Brewing Company, telling the manager that he had been badly cut.

At the annual meeting of the tobacco association Monday night the old officers were re-elected for the ensuing year. They are as follows: President, Sterling Smith; vice president, George T. Brown; secretary and treasurer and supervisor, Z. T. Bynum; executive committee, Messrs. H. W. Gerrell, W. D. Curran, J. J. Gentry, J. K. Norfleet, J. T. Simpson, W. E. Taylor, W. N. Reynolds, R. C. Norfleet.

There are a number of offenders in the lock-up awaiting trial in the city court. A majority of them are negroes but there are several white men in the cells and a still larger number out on bail.

South Atlantic Team at Greensboro. Special to The Observer. Greensboro, Sept. 4.—The Savannah team of the South Atlantic League and a picked nine from Guilford College and Proximity will play two games of baseball at Cone Athletic Park Friday and Saturday of this week.

Miller & Co.'s Cotton Letter. Special to The Observer. New York, Sept. 4.—Liverpool remained open both Saturday and Monday while we were in holiday, and apparently took advantage of the opportunity to drive out the remaining scattered long interest in that market. Prices suffered an extreme decline, about 25 out points, and when the market reopened there this morning, only a part of the decline had been recovered.

Hubbard Bros. & Co.'s Cotton Letter. Special to The Observer. New York, Sept. 4.—Large buying orders for Liverpool checked the decline in Liverpool and turned a very weak market there into a firm one with prices 1 to 2 points higher than on Friday.

THE CHARLOTTE NATIONAL BANK

On Paying of Bills. It is well to pay bills promptly, but not to pay the same bill twice. Sometimes book-keepers, by mistake, send out bills after they have been paid. If you pay by check, however, the canceled checks are returned to you and can be produced as receipts. Check-irregular accounts are therefore more than a convenience. They are an insurance against overpayment. Every man or woman who pays bills should do so with checks.

Your checking account will be welcomed at The Charlotte National Bank where you are assured of absolute security and the most courteous service.

The running of a savings account has a tendency to wean a man from habits of extravagance and dissipation. It gives him new ambition and a desire to save up money.
