

TWO ELIGIBLE TO RETIRE

SUPREME COURT CHANGES SOON
Chief Justice Fuller and Associate Justice Harlan have reached the age limit and Justice Brewer will be eligible in June of next year.

BY W. J. SHOWALTER.

Special to The Observer.
Washington, D. C., Sept. 28.—The membership of the Supreme Court may be largely changed between now and March 4th, 1909. In fact, the strong probabilities are that it will be so changed.

FULLER THE OLDEST.
Chief Justice Fuller is the oldest member of the court. He was born February 11th, 1833, in Augusta, Me. It will be seen by this that he has already given three and a half years more to the arduous task of weighing every matter coming before the court than he would have had to give.

HARLAN IN HEALTHY.
For bumptious good health Associate Justice Harlan takes first rank. He is only three months the junior of the chief justice, but he is as big as a mountain and almost as healthy as full of health as the best of men.

Associate Justice Davis Josiah Brewer will be eligible for retirement June, having been born in Asia Minor in 1837, his father having been a missionary to Turkey.
