The Value of Charcoal

Few People know How Useful It is in Preserving Health and Beauty. Costs Nothing to Try.

Nearly everybody knows that charcoal is the safest and most efficient disinfectant and purifier in nature, but few realize its value when taken into the human system for the same cleansing purpose.

Charcoal is a friendly substance that the more you take of it the better it is. It is not a drug at all, but simply absorbs the gases and impurities always present in the stomach and intestines and carries them out of the system.

Charcoal sweetens the breath after smoking, drinking or after eating onions and other odorous vegetables.

Charcoal effectually clears and improves the complexion. It whitens the teeth and further acts as a natural and eminently safe cathartic.

It absorbs the injurious gases which collect in the stomach and bowels; it disinfects the mouth and throat from the poison of catarrh.

All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is in Stuart's Charcoal Lozenges; they are composed of the finest powdered willow charcoal, and other harmless antiseptics in tablet form or rather in the form of large, pleasant tasting lozenges, the charcoal being mixed with honey.

The daily use of these lozenges will soon tell in a much improved condition of the general health, better complexion, sweeter breath and purer blood, and the beauty of it is that no possible harm can result from their continued use, but on the contrary, great benefit.

A Buffalo physician, in speaking of the benefits of charcoal, says: "I advise Stuart's Charcoal Lozenges to all patients suffering from gas in stomach and bowels, and to clear the complexion and purify the breath, mouth and throat; also I believe the liver is greatly benefited by the daily use of them; they cost but twenty-five cents a box at drug stores, and although in some sense a patent preparation, yet I believe I get more and better charcoal in Stuart's Charcoal Lozenges than in any of the ordinary charcoal tablets."

STRENUOUS SUITOR.

Licensee Issued Yesterday for the Marriage of Five White Couples.

Cupid has been a strenuous citizen recently, or he has devoted an unusually great part of his time to Mecklenburg lads and lassies. Licenses were issued in the office of Justice of the Peace S. H. Hilton, who tied the conjugal knot with an extra flourish, pocketed his fee and blessed the young couple.

The bridegrooms, who were in less of a hurry, were: Miss Cora Bumgarner, of Charlotte, and Mr. Compton Adams, of Sardis; Miss Janie Barr and Mr. W. M. Flow, both of Carr Creek township; Mrs. Ethel Wilson and Mr. Madison H. Hammett; Miss Eunice Nance and Mr. John Sherrill, of Cornelius.

DEALS IN MECKLENBURG DIRT.

Mr. J. L. Davis Pays \$6,000 for the Griffith Place—Transaction in the City.

Mr. J. L. Davis has purchased from Mr. John H. Griffith the Griffith place, about four miles south of the city. The tract contains 145 acres of land and the purchase price was \$6,000.

Mr. Frank D. Lethco yesterday sold a lot at the corner of North Brevard and East Eighth streets to the Charlotte Land and Investment Company. The consideration in the deal was \$2,200.

Messrs. C. O. and Willis Brown yesterday purchased a house and lot on North Poplar street from Mr. R. D. Craven, paying \$2,700 for it.

Solving the Labor Problem.

"One Charlotte concern has solved the labor problem to its satisfaction," said a well-known Charlotte man yesterday. It employs about 35 negro laborers. The concern keeps a supply of corn whiskey in stock and each workman is given a good stiff drink every day.

"No, this firm has no trouble keeping old hands or getting new ones."

HAD TETTER FOR THIRTY YEARS.

I have suffered with tetter for thirty years and have tried almost countless remedies with little, if any, relief. I have used Chamberlain's Salve and it cured me. It was a torture. It breaks out a little some times, but nothing to what it used to do. D. H. Beach, Midland City, Ala. Chamberlain's Salve is for sale by R. H. Jordan & Co.

Rev. Mr. Shaw to Men This Afternoon.

Rev. Mr. A. R. Shaw, pastor of Tenth Avenue Presbyterian church, will deliver an address this afternoon at 5 o'clock at the Young Men's Christian Association.

Rev. Mr. Shaw has taken a rather unusual subject for his address. It is the word "Tebel," found in the fifth chapter of the book of Daniel, in the account of the great feast of Belshazzar to 1,900 of his lords. Rev. Mr. Shaw is one of the leading ministers of the city and will undoubtedly have a message that young men will enjoy.

The regular service will be preceded by a popular song service of ten minutes.

While the address is primarily for the young men, all men are invited and strangers will be welcomed.

It Will Do The Same For You

Several years ago I was a great sufferer from muscular rheumatism, and my doctor advised me to go on Mrs. Joe Person's Remedy. I only took a few bottles when I was entirely cured. I then commenced to use it in my family for general use and we depend on it for breaking up colds, neuralgia and most of the troubles one's family is subject to. Four years ago, just three months before the birth of one of my children, I was taken down with measles, which weakened me greatly. My stomach would not retain a thing and I was in a serious condition. With the consent of my physician, I again started on Mrs. Joe Person's Remedy. I commenced to build up at once, and I believe it carried me safely through my trouble. I believe I would have died had I not taken it. I do not think there is a medicine its equal when a tonic is needed to build up the system.

Praise for a Young Charlotte Physician.

The Orange County Observer, of Hillsboro, has the following to say of a former young Charlotte man: "We take pleasure in calling attention to the card of Dr. John Donnelly. This young gentleman comes to Hillsboro from Charlotte, N. C. Dr. Donnelly graduated in the medical department of the State University, attended the medical department of the University of Maryland and spent a year as physician in a Baltimore hospital." Speaking of Dr. Donnelly to The Observer, Dr. Hubert A. Royser, dean of the medical department of the University of North Carolina, said: "He is a brilliant young man."
