

THE BAZAAR DOING WELL.

APPENDANCE IS VERY GOOD.

The Bazaar is doing well. The attendance is very good. The committee is very active. The ladies are very active. The bazaar is a success.

One of the most popular booths at the bazaar is the "Country Store." Mrs. J. O. Gardner presides, assisted by other ladies. The variety of merchandise in the store could not well be greater.

Several of the jewelry firms of the city have donated cut glass bowls of handsome design. One of these has been drawn by Mr. C. F. Dalton and the others will be drawn for day by day.

The home of the Hollanders is kept bright and pretty with fresh supplies of cut flowers and potted plants which are supplied each day from the Dilworth Floral Gardens and the Scholts Greenhouses.

Among the most popular donations are the sewing machine, donated by E. C. Stenersen, the steel range, but J. N. McCausland, the cooking stove, sold by the Charlotte Hardware Company.

The contest for the premium of the Torrence Paint and Wall Paper Company's premium will no doubt be very lively as the firm has offered a sufficient amount of wall paper to paper an entire house.

Two street-scrappers have been donated by C. M. Scott, and others will probably be sold at auction on Saturday night, as will a number of other donations.

One of the features of the last night of the bazaar will be a "cake walk," the premium to be a handsome cake which is being exhibited.

Rev. G. A. Page has donated the painting of a buggy, the decision to be made by auction.

The druggist donated by the Little-Lang Company, and the suit of clothes and hat by the Ed Mellon Company will be awarded to the purchasers of admission tickets holding coupons with numbers which correspond to those upon the articles.

The children are enjoying the bazaar as much as the grown folks, and the din of the horns and the whistles and the clouds of confetti which they throw remind one of Christmas and 20th of May celebrations in the city.

The prohibition principles of Charlotte are strictly adhered to at the bazaar, and with the exception of water and coffee so abundantly served in the Japanese Garden, no beverages can be had save the "soft drinks" dispensed by Mrs. D. A. McLaughlin and Miss Smith in the candy and fruit booth.

The ladies are much interested in the great range which was donated by Mr. E. D. Latta, and which is to go to the lady selling in the cake which is judged to be the best.

Dr. J. F. Robertson won the cut glass bowl last night and Mr. J. S. Cheek the steel range donated by the Weddington Hardware Company.

IN POLICE CIRCLES.

Charlie Brice in Limbo Again—Some of Charlie's Troubles—Another Clothes Thief Arrested.

Charlie Brice, one of the most frequent patrons of the police court, was arrested again last night on the charge of being disorderly, having been arrested at Big Zion church by Patrolmen Earnhardt and Orr.

Charlie has been in the city police court with more or less frequency for nearly a decade, having answered to probably three or four score of charges. In most instances his troubles have been with women.

Ed Williams, a brother-in-law of Dank Moore, who is charged with being an accomplice of Dora Allison in the theft of about \$100 worth of clothes from W. H. Barkley and the Savoy Theatre, was hauled in yesterday afternoon, it being discovered that he was wearing a coat that was stolen. He will tell the recorder about it this morning.

THE STANDARD IS SOLD.

Rev. Mr. P. H. Law and Certain Associates Will Take Over the Well-known Presbyterian Paper, and Soon as Proper Legal Steps can be Taken—Mr. Law is Able Fitted for the Work That He is About to Begin—He is a Clever Writer.

The Presbyterian Standard should be a gold mine to its owners. It is virtually the organ of the Presbyterian church in this section of the South. This is a Presbyterian community and the paper should prosper.

The details of the trade between Mr. Law and his associates and Messrs. John R. Pharr, J. H. Wearn and J. C. McNeely, the committee authorized to negotiate the sale of the paper, cannot be published until the papers are signed.

DEATH OF MRS. LAURA ADAMS.

Died at Her Home in Gastonia Last Night. Mrs. Laura Lavina Adams died at her home in Gastonia at 7 o'clock last night. She was the daughter of the late R. B. and Rebecca Hunter and was born in Mecklenburg county, February 6th, 1855.

Dr. Otto Neitzel. Pianist in Lecture-Recitals in English and German.

congratulated Mr. Corried on having a show which "advertised itself." It is Mr. Corried's ardent hope that his principal novelty this year may also advertise itself. He announced this morning that his orchestra has just had its first complete rehearsal of the "Salome" score of Richard Strauss, under Mr. Herzig. Later on Mr. Herzig, assisted by Mr. W. J. Henderson in a lecture on that sensational music drama. Others will doubtless follow suit.

The first to be in this field is Dr. Otto Neitzel, who talked about the opera in Mendelssohn Hall yesterday afternoon. Dr. Neitzel has himself written several operas; he is an excellent pianist; he is one of the most erudite, unbiased and witty of German critics; and, above all, he is a most entertaining feuilletonist. His lectures are spoken feuilletons, with illustrations on the piano, and that is what makes them so interesting to amateurs as well as to professionals. His remarks yesterday were spiced with bon-mots, and he gave an excellent bird's-eye view of his subject. Without denying the excellent spirit of the music, and the frank ugliness of much of the music, he seemed nevertheless inclined to look on the Strauss score as a revolutionary work that one must reckon with. For details there is no space to-day.

"GAY NEW YORK." A musical comedy that has the merit of a tangible plot is "Gay New York," which comes to the Academy of Music next Tuesday. It is a show with plenty of action, intended by some pretty music and a cast that contains some of the best entertainers in the country.

When Henry B. Harris presents his company here in "The Lion and the Mouse" next Thursday playgoers will be given their first opportunity of seeing the play which has been more extensively commended than anything known to the native stage and which has been given the credit of meriting every enthusiastic word uttered in its favor. Charles Klein is the author and the play has recorded a success that will bring lasting fame to its creator even though he never writes anything else.

WILSON HEATER. From a given amount of wood the WILSON HEATER with the Hot Blast Down-Draft will produce twice as much heat as any other. It is because the Down-Draft consumes all the fuel and the gases which arise from it, whereas in other heaters the gases, which constitute one-half the burnable part of the fuel, escape unburned up the chimney. You can start a fire in ten minutes and hold it for 36 hours. Remember, it is fuel cost which counts. The Wilson saves one-half your fuel bill.
