\$1,200 FOR THE COWS

BOARD OF ALDERMEN MEETS  
City Will Pay Mr. C. Ernest Moore \$200 for the 20 Cows Condemned as Tuberculous by the City Veterinarian—Cows Must Be Cremated—The McNelis and Yandle Property Matter Up Again—Committee Appointed to Sell the Auditorium Lot—Other Business Transacted by the City Fathers.

A called meeting of the board of aldermen was held in the council chamber at the city hall last evening at 8 o'clock for the purpose of receiving and acting upon the report of the committee appointed at the last meeting for the purpose of investigating the Moore dairy matter, and for the transaction of a few other matters demanding attention.

It will be remembered that, after the meat and milk inspection ordinance was passed by the board of aldermen last spring, 20 cows in the dairy herd of Mr. C. Ernest Moore were condemned by Dr. A. Fisher, the city veterinarian, who examined them and found them tuberculous. At that time the board agreed to pay Mr. Moore \$600 and leave him to dispose of the cows for beef outside of Mecklenburg county. On account of the circumstances of the purchase of the herd and the cost of transporting the cows to a government inspection post, Mr. Moore could not dispose of them and he therefore renewed the proposition of the city. The matter dragged until at the last meeting of the board, when Mr. Moore asked to have the matter acted upon. A committee was appointed to confer with Mr. Moore.

The report of the committee was submitted yesterday afternoon by Alderman Krueger, for Alderman Withers, the chairman. Mr. Krueger, for the committee, recommended that Mr. Moore be reimbursed to the extent of \$1,200 on account of the condemnation of the cows on condition that the cows be killed and cremated. Mr. Moore be allowed to save the hides and dispose of them. The committee found that Mr. Moore's dairy business had been altogether ruined by the condemnation of the cows.

THE McNELIS AND YANDLE MATTER UP AGAIN.

Mr. Alfred W. Brown, the real estate man, appeared before the board and stated that he could purchase the McNelis and Yandle property, on North Tryon street, for \$1,900 and that he could dispose of it for \$1,600, and that if the city would refuse to him the \$300 he would make the deal and eliminate the possibility of the threatened suit against the city for damages on account of the excavation of the street directly in front of the property. This matter was referred to the committee appointed to investigate the claims of Messrs. McNelis and Yandle at a recent meeting of the board.

TO SELL AUDITORIUM LOT AT AUCTION.

Mr. C. O. Brown, of the building committee of the Charlotte Auditorium Company, appeared before the board and asked that the city attorney be requested to draw up a legal advertisement for the sale at auction of the city's lot at the corner of College and Fifth streets, upon which the auditorium will probably be built. The request was acceded to and a committee consisting of Mayor McNinch and Aldermen Krueger and Withers was appointed to have charge of the transaction, to advertise and sell the lot.

OTHER BUSINESS TRANSACTED.

The board fixed the salary of Mr. C. A. Spratt, as chief building inspector, at \$25 a month. Mr. Nathan Paul petitioned the board for license to conduct a junk business in the city. The board agreed to grant the license providing the location of the junk yard is satisfactory.

Series of Concerts Not to be Finished.

Mr. Don Richardson has announced that the rest of the series of 12 concerts that were to have been given at the Academy of Music by the Richardson Orchestra will be cancelled. The concerts that were given could not have been improved upon by any orchestra in the South and the music-lovers of the city will learn with regret that the rest of the series will not be given. The concerts have to be cancelled on account of the tour of the State planned for the Richardson Trio.

The subscribers to the full series, paying \$15 for the 12 concerts, may have their pro rata of the money refunded to them by presenting their coupon at Jordan's.

Mrs. Joe Person's Remedy

For about eight or ten years I was subject to severe attacks of Eczema, which would last for several weeks. I would try local treatments and doctors' medicines, which would relieve for a while, but it would always return, and everything failed in permanent effect. I then determined to try Mrs. Joe Person's Remedy, two years ago. I took it regularly for six months, using a dozen and a half bottles, and it made a perfect cure of me. It has been over a year since I stopped taking the Remedy and I have never had a touch of the trouble since, and my general health is excellent.

SORE LIPS

Feel "twice as bad as they look," but goodness knows they look bad enough. However, a little rubbing with LAVA LOTION WITH BENZOIN will heal them up, remove the chaps and roughness, stop the cracking and make your lips all right again. By the way, it's well to keep your tongue, teeth and fingers away from a lip sore—doesn't do it any good to feel of it, or to bite the hangers, or to wet the sore with your tongue. Just rub on the lotion at night.
