Special to The Observer.

Winston-Salem, Jan. 29,-The matter of freight rate discrimination was assed at length by the Retail Merchants' Association last night. Althe bills now pending before the Legislature looking to the betterment of the present conditions wers day's handicapping was done accordsued. It was decided that committee from the associatio should the American Power Boat Associaso to Raleigh Monday to work in tion. On succeeding days the handiminetion with the committees from caps will be based on load water line other associations in the State in the length and speed, insuring a fair trial interest of a bill for better freight to every boat. The opening day of rates, and other legislation wanted by the regatta was marked by the runthe merchants of the State.

## An Interesting Announcement

Sunday, February 3d, The Observer will begin the publication of Sir A. Conan Doyle's best story-

# **R** NIGEI

to which the serial rights have been secured.

Sir Nigel is a companion story to THE WHITE COMPANY, which was published serially in The Observer last winter and which attracted unusual attention. In this later story of Doyle's we have Sir Nigel Loring, the leader of The White Company, in a new. role and in the strength of virile young manhood.

The story will carry illustrations by Joseph Coll.

"I consider this the greatest story I have written."-A. Conan Doyle.
