How About It?

Did you see how they flocked to the Mutual B. & L. yesterday to get into the new series? I'll tell you, the people know that an association 25 YEARS OLD, AND MORE, never having lost a cent of anybody's money, and that has a record for early maturing of its stock unequalled by any other association in this country, has merit, and lots of it. We are not afraid to compare records with anything alive, and if you don't know all about the methods, JUST CALL ON THE SECRETARY. He loves to talk B. & L., for if he knows anything in its entirety, IT'S B. & L. IN ITS PURITY. NEW SERIES STILL OPEN.
