HAMILTON'S ANCESTRY. In a recent address in New York Prof. W. E. B. Dubols, colored of Atlanta University, claimed that Alexringe being provided. After the inst operation Bywaters took her to a restaurant on Pennsylvania avenue, about 15 minutes' walk from the doctor's office. She had nothing to out there, but Bywaters left her there for about an hour and a half while he went to look after some taal nder Hamilton had negro blood in is veins. This is not the first time uch an allegation has been made, though it rests upoh nothing whatever except the fact that Hamilton hailed from the West Indies. No man in our political history has been more viciously abused than he, and this insinuation was at one time circulated by his enemies, not because they or any one else believed it but merely by way of venting their spleen. As a matter af fact, his ancestry, although he was born under the bar sinister, was and is traceable back to Scotland and France without the slightest obscurity. Perhaps the most noteworthy circumstance attending his parentage was that his mother, the daughter of a wealthy and influential Creole family, occupied a higher rank in life than his father, a weak and worthless young wanderer upon the face of the earth although possessed of some of the best blood "Yes, I told him I would rather die of Scotland and the manners of a than go back there. I told him how gentleman. "Scotch pedler's brat" terrible I felt and asked him to was the only slight upon Alexander marry me. I prayed to God that I might die on the way into the office." Hamilton's ancestry uttered with any To this Bywaters, she said, replied: sort of conviction. The romantic 'Go ahead, it is the only thing to story of the great Federalist's birth and youth is told with a fair degree SISTER AND BROTHER ARRIVE. of truth in Gertrude Atherton's heroworshiping novel, "The Conqueror." ald that the doctor's wife telephoned The claim of negro blood, doubtless her, stating that a man and woman had made inquiries for her and Byoulte as groundless as in the case of waters; that she recognized from the Hamilton, is also made by Prof. Dudescription of the parties given that bols with regard to Gen. Lew Walthey were her sister and brother. lace, the author of "Ben Hur." and waters?" she was asked. Robert Browning.
