DR. D. J. SANDERS DEAD.

President of Biddle University Dies of Gastritis, Combined With La Gripe—Had Been Sick Off and On Since December—Desperately Ill for Past Two Weeks—A Career of Usefulness.

Dr. Daniel J. Sanders, colored, president of Biddle University, died at his home at the college last night at 11. The immediate cause of his death was gastritis, combined with la grippe.

The death of Dr. Sanders has removed from the field of education one of the most prominent of Southern negro educators. For 17 years he had presided over the destinies of Biddle University, being the first and up to the time of his death, the only colored president it has ever had.

Dr. Sanders at the time of his demise was 60 years old, having been born February 15, 1847. He was a native of the vicinity of Chester, S. C., but came to Charlotte from Wilmington, where he was pastor of the colored Presbyterian church. He was for quite a while the editor of The Afro-American Presbyterian, the organ of his Church. Dr. Sanders was graduated from Allegheny Theological Seminary, of Allegheny, Pa. During his connection with Biddle, in addition to his duties as president, he taught classes in Hebrew.

Dr. Sanders was a man of learning and culture. His ability is shown by the fact that for a long number of years he held his position as president of Biddle despite his advancing years, the increasing requirements and exactions of a position constantly growing in importance, and in spite of the candidacy of numerous other men. He was quiet and unassuming, but there was that about him which commanded the respect and won the regard of white and black alike. His influence was wholly for good and in his death the Southern negro has lost a valuable friend.

Dr. Sanders is survived by a wife and seven children, four sons and three daughters. Dr. G. E. Davis, dean of the university, is acting president.

How Far the Dress Should Reach.

A contemporary informs us that a bill has been introduced in the Wisconsin Legislature providing that "no actress or other female person shall appear on the stage, in the theatre or any circus or travelling show in tight or otherwise covered by skirts, which shall extend at least four inches below the knees."

Our contemporary suggests that the Legislature of this State should pass a similar law. This would be a wise law. But why limit its provisions to actresses and show girls? Almost anybody would assent to the fact that every woman's skirts should be that long at least—Waxhaw Enterprise.

The law might also say how much of the upper part of waist shall be cut off. We believe all low-neck dress waists should extend as high up as the sixth rib.

TO OWNERS OF BAD BREATH

Foul Odor of Indigestion, Smoking, Eating or Drinking Stopped at Once With Stuart's Charcoal Lozenges.

Billous breathers, onion eaters, indigestion victims, cabbage consumers, smokers, drinkers and those with gas on the stomach are in a class all by themselves, distinguished by a powerful bad breath.

They all breathe, and as they breathe, they whiff out odor which makes those standing near turn their heads away in disgust. The pitiable part of it is that these victims do not realize what a sickening thing a bad, offensive breath is to others.

Charcoal is a wonderful absorber of gases and odors. It absorbs 100 times its own volume of gas.

Stuart's Charcoal Lozenges will put a stop to your bad, offensive breath and to your belchings, whatever the cause or source, because the charcoal quickly absorbs all noxious, unnatural odors and gases.

If you suffer from indigestion and belch gas as a result, Stuart's Charcoal Lozenges will absorb all the gas and make you stop belching.

If on getting up in the morning you have such a bad, billous breath that you can almost smell it yourself, Stuart's Charcoal Lozenges will get rid of it for you quickly.

If you have been smoking or chewing, or have been eating onions or other odorous things, Stuart's Charcoal Lozenges will make your breath pure and sweet.

Charcoal is also the best laxative known. You can take a whole boxful and no harm will result. It is a wonderfully easy regulator.

And then, too, it filters your blood—every particle of poison and impurity in your blood is destroyed, and you begin to notice the difference in your face first thing—your clear complexion.

Stuart's Charcoal Lozenges are made from pure willow charcoal, and just a little honey is put in to make them palatable, but not too sweet.

They will work wonders in your stomach, and make you feel fine and fresh. Your blood and breath will be purified. You will feel clean inside.

We want to prove all this to you, so just send for a free sample to-day. Then after you get it and use it, you will like them so well that you will go to your drug store and get a 25c. box of these Stuart's Charcoal Lozenges.

Send us your name and address to-day and we will at once send you by mail a sample package free. Address: F. A. Stuart Co., 93 Stuart Bldg., Marshall, Mich.

It Will Do The Same For You

Several years ago I was a great sufferer from muscular rheumatism, and my doctor advised me to go on Mrs. Joe Person's Remedy. I only took a few bottles when I was entirely cured. I then commenced to use it in my family for general use and we depended on it for breaking up colds, neuralgia and most of the troubles one's family is subject to. Four years ago, just three months before the birth of one of my children, I was taken down with measles, which weakened me greatly. My stomach would not retain a thing and I was in a serious condition. With the consent of my physician, I again started on Mrs. Joe Person's Remedy. I commenced to build up at once, and I believe it carried me safely through my trouble. I believe I would have died had I not taken it. I do not think there is a medicine its equal when a tonic is needed to build up the system.
