THE PHYSIOLOGIST TEACHES US That the BLOOD is the ESSENCE OF LIFE. It travels rapidly throughout the length and breadth of the body, feeding every organ, gland, tissue and nerve fibre. To every single atom of the human organism it gives nourishment—breathes LIFE, HOPE, INSPIRATION. As the Mother's Milk Nourishes the Nursing So the BLOOD is the fuel which burns in the body and mind of man. Rich, RED BLOOD feeds and builds up—Emaciated, diseased, anaemic blood tears down and destroys. IS YOUR BLOOD RIGHT?
