Easter Songs and Sermons

From earth unto the sky. Our Christ hath brought us over With hymns of victory."

the Church has observed a season of fasting and prayer. Friday, the day of crucifixion, its services took on a sadder tone, the devout worship of Lent concentrating in the solemn devotional ervices which marked the death of the Christ on the cross. Saturday there was a silence a period of abstinence and individual prayer, period of mourning for the One, hushed in death, who lay in the tomb, and this morning, with the dawn of the glorious Easter Day, the Church throws off her garb of sorrow and proclaims with alleluias a

Saviour risen from the dead. Around the earth to-day the an-cend from sweet-voiced choirs, and the melody of triumph-triumph over death and the grave, will be re-echoed from the hearts of Christian millions. It is the most general of religious festivals, and all Christendom to-day will live and breathe the joy of the Saviour's resurrection, as a few months ago it acclaimed a Saviour's birth. . Casting aside the sombre garb of

black, the Church dons her gayest apparel, and the sweet flowers, which Anthem. have burst into blossom at the call of spring, plaintively symbolic of the resurrection of their Creator, will deck chancel and altar in beautiful profusion, lending mute testimony to the Anthem, "Aswake Up My Glory"..... Barnby doctrine that all Christian pulpits will proclaim.

END OF A TREASURY CUSTOM.

No More Consultation at Luncheon Between Secretary and Assistants. Washington Star. Secretary Cortelyou has broken up a custom that has existed for ten years in the Treasury. It is that of

Where Titles Are Cheap. Truth.

The cheapest country for buying a title used to be Portugal. When a man is made a baron or a count there, his patent recites the service St. Peter's—Rev. Joseph Hueller, O. S. B., paster. At this time of year, mays a well-known authority, the Kidneys become weak, clogged and mactive, failing to filter out the poisons and acids, which sour the blood, causing not only facial and bodily cruptions, but the worst forms of Rheumatism, Nervous and Stomach troubles, Backache and painful, annoying Urinary afflictions.

It is worth any one's time now to get from some good prescription pharmacy the the following ingredients: Fluid Extract andelien, one-half ounce: Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking well in a bottle and take in teaspoonful doeses after take in teaspoonful doses after your meals and at bedtime;

This simple home-made mix-ture will force the Kidneys to normal, healthy action, so they will filter and strain all uric acid and poisonous waste matter from the blood and expel this in the urine, at the same time restoring the "full blood count"—that is, 95 per cent. red blood corpuscles— which is absolutely indispensible to perfect health,

Dutch Sabots Fashionable in London

A visit from the young Dutch Queen, who has never paid a State visit to London, is within the bounds of probability this year, and London seems to be unconsciously preparing itself for such an event.

A year or two ago the printshop windows began to be filled with Dutch | figure sketches-rows of little Dutch boys in baggy trousers and sabots, and Dutch girls in little round bon-nets, pigtails and sabots, and old Dutch fishermen and fishwives in the quaint costume of the Low Countryincluding sabots.

The pictures of quaint Dutch clothes, and especially the sabots, struck the popular taste, and now the real sabot has invaded London. It hangs in the shop windows in the West End and the suburbs, tied up with ribbon and labelled: "Dutch sabots for English feet."

A pair of sabots has become the latest fancy with the girl with a trim with Dutch costume and Dutch songs are beginning to enliven the suburban
