Mr. Finger Will Build Back Plant.

Mr. W. J. M. Finger will rebuild the plant of Asbury & Finger, and Mr. Samuel Asbury will do contracting work. Messrs. Asbury and Finger have been together for many years but hereafter each will go it on his own hook. The fire swept away for 22 years. The loss in lumber and buildings amounted to about \$2,000 and they had no insurance. They figure, however, that if they had carried insurance at the high rate for such property they would have spent \$22,000. This is an interesting view of it.

Put Up a Man Against L. C. Alderman, But League Leaders Will Stand by Party

Remembered yesterday that the ward of Ward 6 would put up for alderman against L. C. young fellow nominated in Tuesday. If this step is taken who are in sympathy with the Democratic party will stand by the nominee of the party for they are Democrats to the core. It was thought best by the league not to interfere with the league. The fight was not between the league and the Democratic party, but between the league and the Democratic party.
