 CHARLOTTE, N. C. Nov. 14/06.

Mr. D. Sam Cox, Manager of Agents, Columbia, S. C.

Dear Sir:—

I have your request for a statement as to the regard in which I hold the State Life Insurance Company. You are aware of the fact that I have held a policy in this Company for a number of years and have always regarded it as being an excellent contract in many ways.

In March, of this year, I visited the Home Office of the Company, as well as the Auditor of State of Indiana, in whose office the securities of the State Life Insurance Company are held. I investigated the quality of these securities and also made considerable investigation of the affairs of the Company as shown and operated in their office, and it gives me pleasure to state that I found the affairs of every department in such shape as to cause me to congratulate myself on having a policy in the State Life Insurance Company.

I regard with special favor the law of Indiana. It limits the investments of Indiana Companies to the very best quality of securities, and requires the deposit of these securities with the Auditor of State for the protection of all policy holders.

Yours very truly,
 B. D. Heath

The above letter doesn't need much explanation. It just means that each year a committee composed of the best business men in North Carolina makes an examination of the affairs of the State Life, and then tells you about its affairs and management. Doesn't the plan appeal to you?

D. SAM COX, Manager of Agents, Columbia, S. C.
