Mr. David Scott Goes Down Into Duplin County to visit Two of His Countrymen—Was Homesick and Lonely.
Mr. David H. Scott, the young Scotchman whom Dr. H. C. Alexander engaged to work with him this year on his farm in Providence township, his gone down into eastern Carolina to join two of his fellow countrymen who are employed near Wallace, in Duplin county. Mr. Scott, as his name indicates, is a native of the land which gave Bobbie Burns birth, and is a fine young man. He came over to America seeking to better his fortunes. Arriving in Raleigh, he was sent to Charlotte to join Dr. Alexander. The life on the farm was not what he had been accustomed to and was not what he wished to make his life's work. Away from his fellows he became lonesome and homesick. Learning that to of his countrymen were living near Wallace, Duplin county, he asked Dr. Alexander to release him of his contract in order that he might join them. This Dr. Alexander did and Mr. Scott left last week for the eastern section of the State. Nothing has since been heard of him, but doubtless he is happy and contented. He is a clean young fellow and will make a good Tar Heel.

No More School for a Season.
To-day for the last time for many moons the Charlotte children will troop to school, which comes to a formal end to-morrow night, at the Academy of Music. Vacation time, fishing time, visiting time, barefoot time, the glorious, unimitable, summer time, when comes the call of the wild to young and old alike, takes the place of school, the drudgery of the working months. Likewise it is the silly season.

Business Integrity
There is nothing that gives the public as much confidence as square and fair dealing.
We do not use any fake schemes in our business.
We have never lowered the art of piano building to the mere level of a money-making traffic.
We have never misled the public by advertising a cheap piano as high grade.
We have never sacrificed tone quality and perfect workmanship for expense.
We have never made cheap pianos and never will.
Our reputation is maintained by merit alone; the standing of our firm by business integrity.
We cater to the public for patronage, but not on a basis of misrepresentation.
