Weak Kidneys Make Weak Bodies
Kidney Diseases Cause Half the Common Aches and Pains of Charlotte People.
As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking-down.
Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric poison circulated in the blood.
Aches and pains and languor and urinary ills come, and there is an ever-increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help.
Doan's Kidney Pills act directly on the kidneys and cure every kidney ills. Charlotte cures are the proof.
Q. A. Davis, musician, of 321 North St., Charlotte, N. C., says: "Doan's Kidney Pills, which we procured at R. H. Jordan & Co.'s drug store, have been used in our family and we have found them all right in every case. We think there is nothing like them for kidney trouble and backache and I am ready to vouch for them every time. You can use my name for a testimonial if you desire."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.

THE DEATH RECORD.
Mr. John A. Morris, of Wilmington, Special to The Observer.
Wilmington, May 25.—John A. Morris, a well-known young machinist here, a son of Engineer W. J. Morris, of the Atlantic Coast Line, died at his home on Sixth street yesterday afternoon and will be buried to-morrow after funeral service from the residence of his parents. Last Saturday afternoon he was attacked with acute pains in his head. A simple headache powder was given, but it was soon seen that he was more seriously affected than with ordinary headache. He became delirious that night and something like brain fever or a malignant type of malarial fever developed. He was considered better the first of the week, but yesterday he had a turn for the worse and passed away. He leaves a young wife, nee Miss Genevieve Jones, of Wilmington, his father and mother, three brothers and a sister, all of Wilmington.

Mrs. Cornelia F. Metts, of Wilmington, Special to The Observer.
Wilmington, May 25.—From St. James' Episcopal church, this afternoon at 5 o'clock impressive funeral services were conducted over the remains of the late Mrs. Cornelia F. Metts, wife of Brigadier General James I. Metts, of the Third Brigade, U. C. V., and a gallant soldier during the civil war. Mrs. Metts passed away yesterday morning at her home after an illness of just a week with pneumonia. She was a daughter of the late Col. Robert H. Cowan and Mrs. Eliza Dickinson Cowan, and was in the 57th year of her age. She leaves her husband, one daughter, Miss Eliza Dickinson Metts; two sons, Col. J. VanB. Metts and Edwin A. Metts; two sisters, Mrs. Jane D. DeRosset, Mrs. Junius Davis, and one brother, Sheriff S. P. Cowan. The funeral this afternoon was largely attended and a large number of beautiful floral tributes were laid upon the casket. The remains were interred in Oakdale Cemetery.

Mrs. W. H. Martin, of Monroe, Special to The Observer.
Monroe, May 25.—Mrs. W. H. Martin died Thursday night, May 23d, at 11 o'clock. Mrs. Martin, whose maiden name was Mary Steel Alexander, was born near Sardis, Mecklenburg county, in 1839, the daughter of Mack and Hannah Alexander. The only surviving member of her immediate family is a brother, Mr. Oswald Alexander, who lives at Fort Lawn, S. C.

After her marriage to Mr. William H. Martin the couple lived for some years in Mecklenburg county, but they made their home in Monroe 26 years ago. Mrs. Martin was a life-long, faithful member of the Presbyterian church and was always deeply and actively interested in its affairs. Her husband has been an elder in the Monroe Presbyterian church for a number of years.

An Army Officer's Report
"For sometime past I have been troubled with dandruff, and with hair falling out. My head itched continually while my hair appeared juster and dead. I tried several remedies without any permanent relief and had about reconciled myself to premature baldness. After using a bottle of your Herpicide, I have been greatly benefited. The hair has stopped falling out, and the itching has ceased and no more dandruff forms in the scalp. My hair is coming in thick and has a fine glossy appearance."

"I beg to state that I have used the bottle of Herpicide that your representative left me and am thoroughly pleased with it. I have since bought two or three bottles for myself and other members of my family and have had the very best of results. I am now prescribing it freely to my patients with full confidence in the result to be obtained. I rarely ever give a testimonial for an advertised remedy, but yours is of such merit that it is only fair that I should do so in this case."
