John Lawrence Anderson, Jr. ...
 Reception ...
 Mrs. J. M. McGee has sold to Mr. J. F. Sanders ...
 The Ardison Drug Company has had a long distance telephone booth ...
 Mrs. Blake, the negro shot last Saturday night by Policeman Charles Daniel, of Pineville, is doing very well. He may recover, but his legs are paralyzed.
 Hawley Wilson, a white man, was tried before 'Squire T. P. Ross yesterday for retelling interesting legends under the name of "Knockall," but he was acquitted.
 Mr. J. A. Brown has sold to Mr. J. M. Austin for the sum of \$1,531 a lot lying on the belt road which connects the Statesville road and the Beattie's Ford road.
 Mr. J. G. Dilworth, who formerly lived in Greensboro, has accepted a position with the Charlotte Sign Works. He is an expert cornet player.
 Mrs. Thomas A. Allison, who was operated on at the Presbyterian Hospital Monday, is doing nicely. Yesterday was the best day she has had yet.
 The familiar figure of Night Turnkey Earnhardt is missed these nights. He is at Richmond, reminiscences from the precincts of the police station with the veterans.
 Prof. J. B. Henson, of Mount Holy, came here last Tuesday and entered St. Peter's Hospital for treatment. His friends will be glad to hear that he is getting along nicely.
 The Observer is indebted to Miss Helen Blair Daniel for an invitation to the closing exercises of the Stevens School at Mannheim, German town, Pa., which takes place Thursday, June 4th, at 11 a. m.
 The Earnest Workers of Tenth Avenue church will give an ice cream social for the benefit of the church to-night from 8 to 11 o'clock, on the Osborne lot at 307 North Graham street. The public is invited.
 "The Poachers" and "Baby's First Outing" are two good ones at the Odeon. The infant in the case gets enough hard knocks to kill a dozen ordinary people, but turns up at the last with smiling countenance.
 "The Terrorist's Remorse" at the Mystic is a stirring drama of Russia, the most striking features of which, aside from the good acting, are the explosions of the bombs hurled. This is but a part of the programme.
 A handsomely enlarged framed picture of the new skyscraper which the American Trust Company is preparing to erect on the Osborn corner was placed in the window of the Stone & Barringer Company yesterday and attracted much favorable attention.
 Messrs. W. R. Robertson, David Owens and Earl McCausland, composing the committee on fitting up the new auditorium, have recommended that the rooms on the upper floors be provided with iron-armed chairs, and the lower floor with folding chairs.
 The Davidson Orchestra, Glee Club and Quartette played last night to a good-sized audience in the auditorium of the Presbyterian College. The programme was pleasantly varied and was rendered with decided skill, which reflected credit on the performers.
 Yesterday, May 30th, was national Memorial Day, but beyond the observance by the national institutions, such as the postoffice, there was no perceptible sign of it. The letter-carriers made only one round and the general delivery window was closed much of the day.
 Quite a crowd of negroes went from here to attend the 30th of May exercises in Salisbury yesterday. There were about four carloads in all. The 30th is a great day with the negroes and there is no room for anyone else in Salisbury on that day.
 Messrs. Knox Neely, A. C. Choate, Walter Watt, Locke Sloop, W. A. Nicholson and George Hamilton, all of this place attended a lawn party Wednesday night, at the home of Mrs. Will Price, in Steele Creek, returning in the small hours of the night. They report a fine time.
 Mr. Julian S. Miller leaves tomorrow for Due West, S. C., where he will present to Mr. J. M. Dandridge, on behalf of the class of 1906 graduates from Erskine the cup offered to the member first taking out himself a wife. The winner wedded Miss Lillie Alexander, of Huntersville, Wednesday.
 A drizzling rain began falling last night about dusk and continued at desultory intervals up till midnight. It was not heavy enough, however, to keep the crowds off the streets, or serious to affect the throngs at the various electric theatres.

 Alexander Benton, who lives on Rural Route 1, Fort Edward, N. C., says: "Dr. King's New Discovery is my best earthly friend. It cured me of asthma six years ago. It has also performed a wonderful cure of incipient consumption for my son's wife. The first bottle ended the terrible cough, and this accomplished, the other symptoms left one by one, until she was perfectly well. Dr. King's New Discovery's power over coughs and colds is simply marvelous." No other remedy has ever equalled.

A Remedy That Never Disappoints

"I had been subject to Rheumatism and Indigestion for a number of years and tried one doctor's treatment after another for stomach trouble until I was firmly convinced that doctors' medicine could not reach my case. It did not even relieve me. Whenever I would eat solid food my stomach could not retain it, and I was constantly having vomiting spells after eating. My system became weakened down and nervous. I was at that time County Treasurer, and I became so nervous and my hand became so shaky from it that I could scarcely do the necessary writing. Finding I must change my treatment, I determined to try Mrs. Joe Person's Remedy. I bought three bottles of the Remedy and by the time I took them I knew I was better. Then I continued it and took it regularly over a year. Those vomiting spells would return for some time, but I stuck to the Remedy. Before I started on the Remedy I was subject to severe attacks of Rheumatism and my legs and knees would swell so I could hardly turn in bed. I think first and last I have taken a hundred bottles of the Remedy. It has made a perfect cure of my Indigestion and Rheumatism. It is the finest medicine I have ever found for breaking up colds. I have recommended it largely on my plantation to my tenants and to my friends everywhere. It is a remedy that never disappoints, and I cannot say too much in its praise. I would not take thousands of dollars for what it did for me."
