VICTORIES FOR NEW ORLEANS.
 Assured of Two High Honors in Atlanta Golf Contests—Madden and Thompson Win Professional Match.
 Atlanta, Ga., June 7.—New Orleans to-day secured the two victories in the Southern golf amateur championship race, which assures her the two high honors to-morrow. Lawrence Eustis and Nelson Whitney, team mates of the Audubon Club, of New Orleans, will be pitted against each other in the 36-hole finals to-morrow. By a peculiar coincidence both men won to-day from two Birmingham men in the semi-finals. Eustis was pitted against Robert Thach, Jr., of Birmingham, defeating him 5 up, 4 to play. Eustis completed the round after winning to-day and established the amateur record for the course, making an 82, against Bogey 78. Whitney played with P. Ward, also of Birmingham, defeating him 2 up, 2 to play. A close contest is anticipated for the championship, and little odds are not great on either man. Eustis seems to-night to be slightly the favorite.

WRIT OF ERROR IS WITHDRAWN.
 Georgia Railroads Will Cease War Against Reduced Rates on Stoves—New Rates Effective June 20.
 Atlanta, Ga., June 7.—The railroads in Georgia to-day withdraw their fight against the reduced rates on stoves between 27 competitive points in the State, ordered by the railroad commission in July 1905. The railroads secured from Judge Newman in the Federal Court a temporary restraining order, but he suspended hearing in the cases until mandamus cases could be tried in the State Court, ordered the railroads to obey the orders of the commission, the Supreme Court a few days ago affirming this decision. The railroads to-day withdrew their writ of error to the Supreme Court of the United States and will put the rates into effect about June 20.

Rheumatism
 This is often a disease of the blood, though not always. It attacks usually the joints and tissue and causes a deposit of uric acid. In its acute stage it is one of much pain and suffering, sometimes affecting a large part or even all the body. When near the heart it is dangerous to life. We are thankful to say there is a proper treatment—Dr. King's Sarsaparilla—internally, to eradicate the poison from the blood. Dr. King's Nerve and Bone Lintment—externally, to give life to the stiffened, painful joints and tissue. Sold by Burwell-Dunn Retail Store.

INTEREST
 Few people realize how quickly money multiplies when deposited in a savings account. The daily newspapers recently related the story of a man who some forty years ago placed on deposit in a bank the sum of seventy-five dollars. This money remained untouched until 1906, when to the surprise of every one concerned the deposit with the accumulated interest had increased to \$1,985.00. You can open an account at 4 per cent, compounded four times a year, with the Savings Department of this bank.
