Female Discord

that is, discord in a woman's organs or functions, is simply another name for disease, but it expresses what perhaps you have never thought of, and that is, the jangling irritation of your nerves, when your organs are out of tune. Health is harmony. Every organ must do its work; every function must be natural, otherwise you need

to tune you up again, and bring harmony into your discordant system. Cardui does this in a natural manner, because it is a natural remedy, for diseases peculiar to women It acts directly on your organs, heals and cures them, regulates the functions, helps to make you well. Mrs. James Johnson, of Mt. Olive, Ark., writes: "I suffered great pain in my head and back from female trouble, and could not sit up, but one bettle of Cardul brought me precious relief." Try It.
