—The board of county commissioners will meet in the court house this morning at 10 o'clock. All tax lists and assessors are asked to be present.

Painter Falls and is Injured.

Mr. R. G. Williams, of 505 East Ninth street, slipped from a ladder, yesterday afternoon, in the room that is being made ready for the occupancy of J. E. Crayton & Co., on South Tryon street, fell upon his head and was painfully injured. He made a mistake and went to the floor head foremost. The fall rendered him unconscious for a time but he rallied and was getting on very well late last night. Officer Christenbury, who happened to be close by, took him to a carriage and sent him to the Presbyterian Hospital where his wounds were dressed.

In addition to the proposed rules and regulations suggested for the police department some time ago by the police committee of the board of aldermen, of which Col. T. L. Kirkpatrick is the chairman, the following have been added:

"Your committee would further recommend that the city hall shall be equipped and fitted up as a court room, in which shall be held all the sessions of the recorder's court and that the room now in use as a court room be fitted up and equipped as headquarters of the chief of police and members of the police department and that the office now used as headquarters for the members of the police force be used as the office of the desk sergeant."

"Further, that the chairman of your committee caused an inventory of the property belonging to the police department to be taken, which is hereto attached and marked 'Exhibit A' and made part of this report."

"Further your committee finds the following described property at the police station which is unclaimed as shown by a statement from the police department, which is hereto attached, marked 'Exhibit B' and made a part of this report. We would recommend as to the disposition of property:

First, That wherever the owner or owners of said property can be found to locate same and turn over to them such property as may be duly ascertained to be belonging to said claimants, and their receipt taken for same; and where the owners cannot be found that the said unperishable property, in the way of knives, pistols, watches, etc., be duly advertised according to law and sold at public auction for cash and the proceeds thereof, after defraying the expense of sale, be forwarded to the University of North Carolina. That all liquors, beers, and other intoxicant beverages, together with cavain, etc., be poured in the sewer."

"That it shall be mandatory upon the sergeant who goes off duty at 12 o'clock, at night to submit in writing to the sergeant who relieves him a detailed statement of orders issued to the patrolmen, warrants to be executed, and arrests to be made; and it shall further be mandatory upon the sergeant who serves in the afternoon of the night, together with the sergeant who serves in the fore part of the night, to submit in writing to the chief of police at the beginning of each day a detailed statement of all warrants executed, arrests and services performed by them."

"That no policeman shall be allowed to smoke while on duty—or make use of whiskeys or liquors and any violation of this rule for the first offense shall be cause for an absolute dismissal from the force."

"That no sub-officer, patrolman or member of the police force shall be permitted or allowed to criticize or comment upon the conduct of their superior officers or fellow officers, or make or cause to be made derogatory remarks of their superior officers or fellow officers appertaining to their conduct as officers or otherwise, but all charges or reports shall be made in writing to the chairman of the police commission, any violation of this rule, directly or indirectly, shall subject the offending party to an absolute dismissal from the force."

Mr. Scott has Utmost Confidence

I was suffering intense pain from rheumatism in my hip. I tried several remedies, but none of them relieved me. Finally I began taking Mrs. Joe Person's Remedy, and after taking only two bottles I had no pain at all. My rheumatism was cured. I have the utmost confidence in Mrs. Joe Person's medicine, and would not hesitate to recommend it to any one for rheumatism.

Respectfully,
DON SCOTT.
