New Orleans, June 7.—Cotton, spot quo tations were revised by the committee to-day with the result of a uniform advance of 'Ac per pound on all grades, indicated in May last year. Reading's in May last year. Reading's a sensational advance which ran up to 25 points or nearly \$1,50 per bale, and carried this option to the 12c mark. This was the first time in nearly four years that 12c cotton has been quoted at New Orleans and July's advance served to carry the other months up, though they advanced less rapidly. The other month-sources negotiations to buy 100,000 bales of July on te agreement not to retender on contract, but to dispose of the cottom to consumers. The close was steady with prices 10 to 24 points over last night.

New York, June 7.—The retail trade in dry goods was better to-day owing to warmer weather, but conditions have forced a retrenchment in expenses and the discharge of several employes in some large houses. The primary cotton goods market holds firm, and active within the limits possible when goods are scarce. Samples of new clip wools are arriving. Fancy serges will be opened next week. The jobbing trade for the day was more active. Louisville & Nashville
