New York, June 12.—Another good thing was put over at Gravesend to-day when Wexford won the third race. Opening at 15 to 1, the gelding received no support, most of the money going on Zambesi, the 9 to 5 favorite. When, however, 20 to 1 was chalked up against Wexford, the whole money came in such quantities that the price was cut against 15 and then to 10 and 5 to 1, finally closing at 7 to 2. Wexford made a runaway race of it, winning by eight lengths from Zambesi with Tommy Waddell third. Summaries:

First, selling, five furlongs: James B. Brady, 8 to 1, won; Gen. Russell, 3 to 1, second; Joe Nealon, 9 to 2, third. Time 1:04.

INTEREST

Few people realize how quickly money multiplies when deposited in a savings account. The daily newspapers recently related the story of a man who some forty years ago placed on deposit in a bank the sum of seventy-five dollars. This money remained untouched until 1906, when to the surprise of every one concerned the deposit with the accumulated interest had increased to \$1,085.00. You can open an account at 4 per cent, compounded four times a year, with the Savings Department of this bank.

TO WAGE PROHIBITION FIGHT

Anti-Liquor Forces Lining Up in Asheville—The Governor Invited to Speak in Behalf of the Movement.

Special to The Observer.

Asheville, June 12.—If the present plans of the Asheville prohibitionists carry, a stiff fight against liquor will be waged here this mid-summer or early fall. It was learned to-day that several papers have been circulated recently for signatures of voters for the purpose of getting a line of local sentiment relative to prohibition and the liberal signing of these papers, it is alleged, by men of almost every walk in life has had the effect of greatly encouraging the temperance people and to make practically certain the calling for an election on the whiskey question. A well attended meeting of temperance people was held in the First Baptist church last night when the matter was discussed at some length and in enthusiastic manner. Col. V. B. Lusk was made temporary chairman of the movement and plans are making for a great temperance rally in the near future. It is understood that Gov. R. B. Glenn has been tendered an invitation to speak here on Sunday, June 30, in the cause of temperance. Governor Glenn, it is said, will speak to the people of Asheville from the pulpit of the First Baptist church on Sunday morning, June 30, and at the auditorium on Haywood street that night. The following Tuesday night it is proposed to hold a big prohibition meeting for the purpose of organization and the inauguration of a temperance campaign. The ministers of the city are taking considerable interest in the movement already and it is understood that at the meeting last night number of the divines of the city were present.
