speciators came near bringing about a riot during the closing moments of the game.

The home team had two men out in the latter half of the ninth inning, when some empty mineral water bottles were thrown in the direction of Frank Chance at first base, from the bleachers and open stand behind left firld and first base. Chance was not hit by any of the missilea, but as they were being thrown indiscriminately, he picked up two of the bottles and returned them in the direction from which they had come. One of them hit a boy on the leg and inmediately there was an uproar followed by a fusiliade of bottles.

President Ebbetts immediately called upon Polica Captain Maud, who with 30 men in uniform and plain clothes, rushed to the bleachers at d quelled the disturbing element. Chance was excepted to the club's dressing room by a detective. When the officers had cleared the field sufficiently so that the game could be continded Lewis, of Brooklyn, landed a ly to Hoffman, who had taken Chance's place at first base.
