Idaho, July 15 .- Another Bolse, Idaho, July 15.—Another warrant charging perjury against a witness who has testified for the defense in the trial of William D. Haywood for the murder of Frank Stuesenberg, was issued this evening. C. W. Allen, formerly a telegraph operator and ticket agent for the Florence & Cripple Creek Railroad at Cripple Creek, is charged with the offense by the prosecuting atterney of Ada county.

Eleven witnesses in rebuttal were examined to-day. Harry Orchard re-appeared on the stand and was asked few questions as to his acquaintance a few questions as to his acquaintance with some of the witnesses for the defense who have testified as to his movements. On being turned over to the cross-examiner Orchard admitted that his uncie, Peter McKinney, committed suicide by hanging 13 or 14 years ago. Counsel for the defense asked Orchard if this uncle was fense asked Orchard if this uncle was not insane before he killed himself and also tried to show by the witness that his maternal grandfather was insane, his monomania being imaginary crimes committed a long time knowledge of the grandfather, but admitted that his uncle was demented for a year or so, although not over imaginary crimes. WARRANT FOR PERJURY.

The afternoon session was taken up with the examination of witnesses contradicted the evidence given by C. W. Aleer, who testified for the defense in support of the charge of a conspiracy against the Western Federation of Miners, in which it is alleged the Mine Owners' Association, the citizens' alliance and the Pinkerton Detective Agency were concern-

Aller swore he saw Orchard and D. Scott together at the station of the Florence & Cripple Creek Rallway en a Sunday about three weeks prior to the explosion at the Independence station on June 6, 1904. Scott this afternoon swore that he was not in Cripple Creek at that time, and a number of witnesses corroborated this. As a result of this rebuttal tes-

undertaking to show that the effect of an explosion of Huminating gas could not have been that described in the depositions taken for the defense in that time), nearly all of them remain longer and are loth to leave, so delighted are they with the genuine hospitality accorded them at the sanitarium and in fact throughout the assertion that gas could be ignited by the glow at the end of a cigar. He showed that the humber of patients throughout the town. Last month's register the town. The cross-grammined at considerable enrolled was next to the one some from public entry. The criminal prosessing the same of the same required to spend only three days fercet days here (the cure being effected in that time), nearly all of them mense mining activities throughout Nevada and Arizona must be supplied from some source. For two years past few mines have been one year past no coal lands have been entered, the President having with-drawn 68,000,000 acres of coal lands from public entry. The criminal prosessing the cure being effected in that time), nearly all of them mense mining activities throughout Nevada and Arizona must be supplied from some source. For two years past few mines have been one year past no coal lands have been entered, the President having with-drawn 68,000,000 acres of coal lands have been one source. the explosion at the Bradly home could not have been caused by gas.

A RIPPLE OF LAUGHTER.

Much excitement was caused by a wordy engagement between E. F. Richardson and E. M. Sabine, an at-torney of Idaho Springs, Col. Sabine who was engaged in the prosecution of a number of cases charged 14 members of the Western Federation of Miners with crime and conspiracy during the labor troubles of 1903. Mr. Richardson was the defending counrecord of and it kept Haywood's counopinion that the defendants were guilty, notwithstanding a verdict of the jury to the contrary.

### HOLDING SECRET CONFERENCE.

President Small Discusses Telegraphers' Strike With Commissioner Neill-Strike in Chicago Hinges on Report. Oakland, Cal., July 15.—President

Small, of the Telegraphers' Union of America, is holding a secret conference with Labor Commissioner Neill this afternoon. President Small expects to report

the result to a meeting of striking telegraph operators to-morrow. If the report is not favorable a strike will be called in Chicago.

### CRISIS IN 24 HOURS.

Head of New York Union Says One Side or the Other Must Give in Within That Time. New York, July 15 .- Regarding

the dispute between the telegraph companies and their employes, President Ahearn, of the local Telegraphers' Union, said to-night: "Personally, I am doing all in my

power to avert a clash and we have not yet given up hope of a settle-

"One side or the other has got to give in within 24 hours. We received word from San Francisco tonight through Wesley Russell, national secretary and treasurer, who is now in Chicago, that Labor Commissioner Neill and representatives of the striking telegraphers at Francisco were in session and that a settlement was hoped for. We were instructed to do nothing until advised from Chicago. There will be no strike unless every other means at our disposal fails."

### THE ELKS CONVENTION OPENS.

Grand Exalted Ruler Judge Henry A Melvin Responds to the Four Addresses of Welcome.

Philadelphia, July 15 .- The fortythird grand lodge session of the Benevolent and Protective Order of Elks was formally opened here to-night at the Grand Opera House, when the organization were welcomed to he city on behalf of the Elks' reunion sum to run across this man. mmittee by Daniel J. Shearn.

Congressman J. Hampton Moore made the addresses of welcome on behalf of Philadelphio lodge No. 2. Mayor Reyburn greeted the delegates on behalf of the municipality and Gover-Edwin S. Stuart welcomed the Elies to the State of Pennsylvania, and Melvin responded to the welcomes. The first large entertainment for the visitors was given to-day at Park the Delaware, where about 1,300 sts sat down to a sea food dinner.

CONGRESS OF ALDERMANS.

Correspondence of The Observer,

Reidsville, July 15.—Mr. J. T. Alderman, of Henderson, formerly superintendent of the Reidsville graded schools, is sending out an interesting letter, calling attention of the Aldermans of North Carolina to the general meeting or congress of the Aldermans, their descendants, and those directly interested, to be held at Jamestown Thursday, August 1st. The purpose of the convention is the gathering together of members of the Alderman family throughout the United States. A concession has been granted by the exposition officials and the meeting will be held in Assembly room, No. 3, near the centre of the auditorium building. At the Jamestown Exposition the subject of compiling the history of the family will be entered into detail.

The local military company will be neverted to the surface of the Alderman family throughout the United States. A concession has been granted by the exposition officials and the meeting will be held in Assembly room, No. 3, near the centre of the auditorium building. At the Jamestown Exposition the subject of compiling the history of the family will be entered into detail.

The local military company will be reported to the subject of compiling the history of the family will be entered into detail.

The western States. The Northerin Pacific in Montana is obliged to burn Hock-ting Valley (Chib) coal notwithstanding strenuous efforts to secure additional local supplies. A Spokane, Wash., agent has orders for 203 cars, but has been able to secure only 19. It is difficult to get any coal from Canada as the Canadian coal until home demands are filled, Nearly all the Northwestern coal mines are running day and night, but are all away behind in their orders. A great shortage exists on the Pacific coast. The government has been obliged to order 59,000 tons sent from Baltimore to the subject of company will be entered into detail. be entered into detail.

The local military company will send a representative to Morehead City August 8th to compete for the target prizes. This representative will be one of tweive and the seven imports from Australia, Japan and making the best marks will be sent to Perry, O., to represent the North Carolina troops at the annual military target practice. Several of the local

honors. The respective concerns did not ask for the privilege, but the obliging county and town authorities allowed county and town authorities allowed and California are coing to do for

Scales street, Reidsville's main bused through the old half-mile race- shortage had already arrived. All the track to a point touching the road at railroads are largely increasing their the old Piedmont Driving Park. This train service and thus constantly conis now one of the town's longest streets, and the extension is added is finished to Seattle it will require none too soon.

A canning plant is being installed at Mr. R. P. Richardson, Jr's. Edgewood Farm, and when completed will be one of the largest operating in this section.

after court adjourned charging Aller with perjury.

The explosion at the home of Fred Bradley in San Francisco was again under consideration to-day, the State undertaking to show that the effect of an explosion of Bluminating gas could days here (the cure being effected).

Northern and the Union Pacific extensions, all of which will add largely to the consumption of coal for railroad use. The great Copper smelting works, now being finished at Eig New Yorks, and the limit of the cure being effected.

Special to The Observer. sel in these cases. There was a sharp statement in the newspapers, Souther statement in the newspapers, Souther cases. There was a sharp statement in the newspapers, Souther cases. There was a sharp statement in the newspapers, Souther cases a sharp statement in the newspapers and statement in t badinage was included to keep the riding the trains from Salisbury to get enough. Lignite coal sells in Butte court room in a ripple of laughter for Greensboro every Saturday night in at \$7.50 to \$8.50 per ton, as against half an hour. Sabine intimated his an effort to break up the rowdyism willingness to tell many things that which has been going on for some Richardson appeared anxious to keep time by people returning from that wet town with booze. Saturday night busy heading the witness away Mr. Ahern caught a negro selling from dangerous ground. Sabine ad- three pints of whiskey to parties managed to get before the jury his under arrest and turned over to the officers at Thomasville, and Mr. Ahern went there to-day to appear

> making good The High Point aerial wheel, after long delays of parts of the machinery. being erected here, where it will be tested and painted and put in operation for a week, then taken to Jamestown as one of the biggest attractions at the exposition. are 14 cars, each with a carrying capacity of from two to three people, and each car and link in the huge chain is made strong enough to bear the weight of ten times its carrying capacity. The rider goes up and down instead of around and over, as in the case of the Ferris wheel. The wheel stands 60 feet high and its mechanism is simple, yet safe and costs considerably less than the complicated Ferris wheel. A strong company has been formed to manufacture the wheel and place it upon the market. A big part of the work is done by High Point manufacturers, the High Point Machine Works and the High Point Buggy Company, the latter making the seats and other wood working plants making the bottoms and sides to the cars.

Ed Wills, the negro that shot his step-son, Harry Palmer, with a shotgun in the back the night of July 5th, gave himself up yesterday and was placed under a bond of \$50 by Squire Johns for his appearance at

next term of court. A certain man of this place has placed himself in a good way to be shot if a citizen living in the southwestern part of the city, runs across him. Saturday night the wife and 16-year-old daughter of a citizen were returning from a shopping tour up street and had reached a dark place near the railroad, when a man boldly walked forth and, placing his hands on the shoulders of one of the ladies, remarked: "Come on gals, let's take a walk." The women resented the insult and the man made away in a hurry. The matter was told to the husband and father, who naturally got hot, and to-day visiting delegates and members of the he has blood in his eyes for the insulter and would give a nice little

### Was Assaulted by Three Negroes.

Special to The Observer. Winston-Salem, July 15 .- Following a small fracas in a saloon on Third street, Mr. A. E. Pfaff, of Southside, was assailed by three negroes near Grand Exalted Ruler Judge Henry A. the Union passenger station about 7 o'clock Saturday evening, and vary

badly used up in the melee. e negroes, who are unknown and made their escape before the officers arrived, seized Mr. Pfaff, threw him to the ground and then struck him several hard blows with their fists. When Mr. Pfaff arose one of the negroes threw a brick at him, striking him in the forehead. The wounded man came up town and sought medical attention.

For the sake of justice to the afflicted and for the good of humanity, it is my right and duty to recommend Hellister's Rocky Mountain Tea. We owe our coun-try and our rellowmen a duty. Tea or

COAL PAMINE IN NORTHWEST. be People Pacing a Serious Situa-tion and no Remedy Seems to be Available—Gress Bennand From Railronds and Industrial Plants Has Brought About the Conditions. Brenght About the Conditions.

Butte, Montana, July 15. Although the middle of summer, a scrious coal famine is felt throughout the Northwestern States. The Northern Pacific in Montana is obliged to burn Hocking Valley (Ohio) coal notwithstanding strenuous efforts to secure additional local supplies. A Spokane, Wash, agent has orders for 203 cars but has been able to secure only

coast. Last winter when the great imports from Australia, Japan and Canada. This year it is claimed that the entire product of Austrian mines will be needed at home; also that little marksmen have always with the coal can be obtained from Canada be-greatest case experienced little difficulty in plugging the buil's eye, and ulation in its Northwestern Provinces it will be disappointing if a Reids-ville militiaman fails to carry off high mines of Canada to supply the local demand. Last winter the Canadian Mr. R. C. Bernau and the Schiff. Pacific hauled coal 3,000 miles from man Jewelry Company, jewelers of Nova Scotia to Alberta to help supply Greensboro, have been granted lithe suffering settlers. What the people cense to do business in Reidsville, of the Northwest, to-wit: Montana. of the Northwest, to-wit: Montana, county and town authorities allowed them to "come across" with \$125 each for disposing of some of their wares preceding a wedding here recently. would show a 40 per cent, shortage of iness thoroughfare, has been extend- | coal, but it looks as if the 40 per cent. suming more coal. The criminal pros-length by Mr. Richardson and the time ago when the world's record ecutions instituted by special agents ambitious to make a record have de-

ambitious to make a record have deterred operators from opening new mines for fear of criminal prosecution, as it is impossible to open coal mines of any size on less than 1,000 or 2,000 acres of coal land. The dought cast upon the title of coal land entries by the criminal prosecutions has made it impossible to borrow the large sums of money necessary to open large coal 7:30 .- Guardmount, mines. The existing mines have an absolute monopoly and are getting any bituminous coal at \$3 to \$3.50 per ton in Chicago, Pittsburg and New 10:30 to 12:30-Mexican Band Con-York. Coal sells in San Francisco for

\$10 to \$20 per ton, yet no one com- 11 plains. It is a strange anomaly that mitted that Richardson had beaten that boarded the train this side of in the Northwest where, according to him in clearing the clients, but he Salisbury. The negro was placed Mr. Parker, the Geological expert at Washington, there are 68,000,000 acres of coal lands, people must pay \$7.50 to \$15 per ton for poor lignite coal and against him. Mr. Ahern has promised yet only have a portion of their wants to break up the rowdyism on the supplied. The great demand for house trains if he has to ride every one consumption has not yet commenced.

FIVE MEN IN A SUNDAY FIGHT.

and for railroad use.

Tanked Up on Bad Liquor They Use All Sorts of Weapons, Three of Them Getting Badly Wounded. Special to The Observer,

Kernersville, July 15 .- It is a warm day when this town cannot get in the limelight one way or another. Yesterday afternoon the quietude of the Sabbath was broken by a big fight, in which several men, said to have been under the influence of whiskey participated. The fight occurred near the Southern Railway station and knucks, knives, brick-bats and railroad spikes played a conspicuous part. The principals in the melee were: James Tilley, Sr., James Tilley, Jr., Grant Duggins, Zeb Brown and James Stafford. When the smoke of battle had cleared away and the damage was summed up, it was found that James Stafford had a severe stab in the log. the gash being about three inches long and over an inch deep; James Tilley, Jr., had a bad scalp wound, caused by knucks; while he had several small cuts about the arck and face; James Tilley, Sr., had a badly mutilated hand, caused by a railroad 11-War Path Closes. spike thrown by some one during

Immediately after the fight James Tilley, Jr., hied himself away to the timbers, all the other participants being arrested and given a hearing before Mayor Davis, who bound them over to Superior Court under bonds of \$100 each, which they furnished and were released.

#### Huge Granite Boulder Breaks Down a Fint Car. Special to The Observer.

Winston-Salem, July 15 .- The one hundred and sixteen thousand pound piece of granite, being shipped by the North Carolina Granite Corporation, of Mount Airy, to the James-town Exposition, proved too much for the Mount Airy branch of the Southern Railway. A flat car on which was the large stone was derailed just above the function, near the residence of Mr. J. Lindsay Patterson, about o'clock Saturday afternoon and li was several hours before it could be got back on the track. The flat was two cars from the rear of the "Shootrain which is due here about

o'clock. The cross ties for about 60 feet were torn into splinters. The train was running at a very slow rate of speed otherwise the train crew might have been seriously injured. As it was no one was hurt.

DOCTORS COULD NOT HELP HER.
"I had kidney trouble for years."
writes Mrs. Haymond Conner, of Shelton, Wash., "and the doctors could not help me. I tried Foley's Kidney Care, and the very first dose gave me relief and I am now word. I cannot say too much for Foley's Kidney Care." It makes the diseased kidneys sound so they will climinate the poteons from the ulood. Unless they do this, good health
