Since of the Cheever.

Durham, Aug. 11.—A development of much intervet was revealed in oper Filiage before linguistates 3.6 Owene, when it was discovered from a wears that meet Hickstown, a subursain made by the State come an interest was the was discovered from a wears that meet Hickstown, a subursain while so whiskey was being illegally soid an large quantities. The clue was given by Bob Turner, who was before the indeed on the stand to till where he got his wiskey. He supplies the one individual, any Wearfin, as being the person who sold him the whiskey and within a short time this decreadant was bound over to court urrisps a 550 bond. In the draft of the former was being the person who as dilate the sund Peyton Hicks went to Hickstown in search of some whalkey, and had as a suiter difficult time getting what they wanted for a while. But when they wanted for a while. But when they had decided to give up the easte hussines. The reason the indicate for more their amaxement he had concealed a barrel of whiskey. From the facts the case it looks as if the decendant was bound over to the reason the way was approached by Acy Warren, who took them a chort distance from the road to the woods, where to their amaxement he had conneceded a barrel of whiskey. From the facts the the case it looks as if the decendant was a two the sund peyton the had conneced to the woods where to their amaxement he had conneceded a barrel of whiskey. From the facts the the case it looks as if the date the had conneceded a barrel of whiskey. From the facts the the case it looks as if the date was to the facts the the said looks as if the decendant was a look as it is to be a fact that the wear way two pint bottles full. In the counts this week the whiskey, arthriting until they were drunk, and then carried he way two pint bottles full. In the counts this week the whiskey cases in looks as if the date of the counts the week the whiskey cases in The counts the week the whiskey cases in the case it look

The first regular service in the North Durham Baptist church, the heautiful new edifice erected by the First Baptist congregation in this city at a cost of \$10,000 was below the first at a fact; I had forgotten it." came the faint reply. The next day the young man could not be found high nor low and there cost of \$10,000, was held this morning at 11 o'clock. The church was dedicated and organized last Sunday by the Baptists of Durham. The church begins with a membership of 57, but it is likely that within a control of the stand by you. You will surely not stand by you. You will surely not stand by you. 57, but it is likely that within a short have to serve a term on the county period it will far exceed this. The period it will far exceed this. The lot upon which the edifice is situated was given by Mr. F. C. Greer, who al-

so donated \$1,000 for its erection. The merchants' association of Dur-

in course of construction in Person ductor, county, are almost completed and will be in operation some time this full. Work is going ahead very satisfac-torily and a considerable little town has sprung up around the mills. Some of the dwelling houses are aloccupied.

The annual convention and tournament of the colored firemen of the State will be held in Durham, begin-ning Tuesday. It will be in session ning Tuesday. It will be in session for several days. Several hundred firemen are expected to attend and It will likely be an enthusiastic gathering.

BANQUET THIS EVENING.

Special to The Observer.

Greensbero, Aug. 11 .-- Mr. Moses H. Cone, who returned Saturday morning from a trip around the world, will be counsel but the jury decided in three the guest of honor at a banquet to be minutes to go against him. This is given by the chamber of commerce in the dining room of the Guilford-Benbow Hotel to-morrow evening. Other guests will be the brothers of Mr. Cone, and a score of others to whom invitations have been sent. Probably wo hundred or more members of the chamber of commerce will be presen: Admission will be by card. Mr. C. Sam Bradshaw will be toastmaster and the programme will be as follows: "Greensboro's Welcome to Our

Guest," Mayor Leon J. Brandt; "The Industrial Strides of a Decade," Speak-er E. J. Justice; "The Pioneer of the Insurance Ventures of the State," Col. W. S. Thompson; "The Commercial Features of Our Growth," Mr. C 11 Ireland: "Our Crown Jewels-The Educational Institutions." President Ju-lius I. Foust: "The Auto and the Mo-tor," Zebulon V. Taylor, ex-mayor; "Our Guest in Paris and Elsewhere."

The Gate City Guards left shortly after midnight for the Jamestown Exposition Capt. F. P. Hobgood, Jr., is in command of the company, which is known as Company L of the Third North Carolina Regiment of the National Guards. The company joined other companies that are on their way to the exposition. The State allows forty-five men to go, but Captain Hobgood provided that all of these who wanted to go might do so, and as a result fifty-one men went in the party

from here. They will be gone about one week. The work of the Greensbore Civia League has been felt in every quarter of Greensboro and, now that it has, its fame is spreading to other towns and it is expected that the State will soon have several new civio leagues. Lexington, Charlotte and Durham are ome of the towns that are contem-

plating organizing leagues. THE FIRST RECUISITE OF BEAUTY.

The first requisite of beauty is a clear complexion. Orino Lavative Fruit Syrup clears a sallow biotched complexion as it stimulates the liver and bowels, and the eyes become bright and clear. You owe it to your friends to take it if your complexion is lad. Orino Lavative Fruit Syrup does not nauseate or gripe and is very pleasant to take. Refuse autati-

BRIDGE OVER LITTLE RIVER.

Steel Structure Being Constructed at Mount Gllead—Band Declares a Dividend and Increases Surplus— Brief Items. Special to The Observer.

Mount Gliead, Aug. 11.—The Southern Engineering & Construction Co., which has the contract for building the steel bridge over Little river at Tony's ford, has completed the concrete piers and will soon begin the steel structure. When completed this will be one of the randsomest bridges in this section of the State, and even now people are wondering how they have got along without it so long. The farmers in the southern part of the county are looking forward to the completion of the bridge with the view of bringing the present crop to this market.

At the annual meeting of the stock-boiders of the Bank of Mount Gliead, held a short time ago, a 5 per cent dividend was declared and a sum equal to 20 per cent of the capital stock was
