er's trouble. Last night the opportunity came when Mr. Webber drove up in front of the Gem and alighted from his buggy and began to talk to Mr. A. W. Whitaker, the stockyard man. Mr. Garibaldi, who was close by, stepped up and addressed Mr. Webber, saying: "Mr. Webber, I want to speak to you a minute, when you get a leisure."

The two faced each other. Garibaldi said: "What sort of talk is this you have been having with my father? Are you not ashamed of yourself to abuse an old man like him?"

"Tom Garibaldi, I don't want to have any trouble with you, but I want you to know that I am not afraid of you," said Webber.

"Well, you must understand that I am not afraid of you," said Mr. Garibaldi, with a tremor in his voice.

"I will go with you any where and settle it," said Webber. "Right here suits me," said Mr. Garibaldi rubbing his left fist on Webber's chin. "You'd cowardly scab."

Thousands of women have found that the use of Mother's Friend during pregnancy robs confinement of all pain and danger, and insures safety to life of mother and child. This scientific liniment is a god-send to all women at the time of their most critical trial. Not only does Mother's Friend carry women safely through the perils of child-birth, but its use gently prepares the system for the coming event, prevents "morning sickness," and other discomforts of this period.
