

WAS IN ALABAMA.

When President Roosevelt stopped at Stevenson last Tuesday, he did not realize the tortuous windings of the Nashville road. Nobody had told him that he was in Alabama, and he had neglected to keep his own bearings. Consequently, when he started to make a speech, he thought he was in Tennessee, and speaking to Tennesseans. He was tripped up before he had gone far, but, as usual, he landed on his feet.

NO INTEREST IN ROADS.

Fourth Commissioners Decide Not to Call Bond Election at This Time. Special to The Observer. Winston-Salem, Nov. 5.—The board of county commissioners will not be asked to call an election to determine the question of issuing bonds to the amount of \$300,000 for permanent road improvement. This was decided at a meeting held in the court house at 1 o'clock yesterday afternoon to ascertain the wishes of the people of the county in regard to the matter.

CARS TO EAST WINSTON.

Line Will Be in Operation in Ten Days—A Stupendous Undertaking. Special to The Observer. Winston-Salem, Nov. 5.—Within ten days, construction cars will be running over the East Winston car line extension and a short time later the inhabitants of East Winston will be put in direct connection with the city by electric railway. The construction work, which has been delayed for several causes unforeseen at the commencing, has progressed rapidly during the last few days and with a few more days of good weather the line will be a reality. It will open up a fine residential section of the city and will cause a large number of handsome residences to be erected on East Fourth street, as well as in other parts of the community.

WINS SILVER MEDAL.

Honors for the State's Historical Exhibit at Jamestown. Special to The Observer. Winston-Salem, Nov. 5.—Mrs. J. Lindsay Patterson, who was chairman of the committee of the North Carolina Daughters of the American Revolution, which arranged the historical exhibit of this State at the Jamestown Exposition, last night received word to the effect that this State was awarded one of the two silver medals for historical exhibits at the Exposition, the other one going to New York, Pennsylvania and Massachusetts received gold medals.

Talk of Congressman Williams' Day Wins the Court.

Washington Dispatch to Philadelphia North American. John Sharp Williams' parliamentary talents have descended to his faithful son, Allison, and they got him out of the clutches of the law yesterday. Allison, intent on getting to school before the bell rang, was speeding his bicycle 20 miles an hour on the Fourteenth-street hill, according to the policeman, who halted him before Judge De Lacey in the Juvenile Court.

THE WAR DEPARTMENT REVOKES ITS ORDER PROHIBITING THE SALE OF COCA-COLA IN ARMY POST EXCHANGES.

The War Department has revoked its Order Directed Against the Beverage—Was Barred on Mission to Manila. Washington Dispatch to Atlanta Georgian. The following order from the War Department revokes the former order prohibiting the sale of coca-cola in army post exchanges. By the same order the government states that no cocaine or alcohol was found in the analysis by the Agricultural Department.

Jamestown Medals For Rock Hill Mills.

Saturday afternoon Mr. E. H. Johnson, manager of the Highland Park Mills, of this city, received the following telegram from Mr. Paul B. Moore, in charge of the textile exhibits at the Jamestown Exposition: "You have been awarded the gold medal on exhibit of gingham."

Keep Your Money Moving.

New York Times. The patriotic as well as the reasonable thing to do under conditions like these is to pay your debts promptly, and with checks as far as possible, or with currency if you choose. Any currency not needed for actual use should be placed in banks where its usefulness is multiplied.

Honor to Whom Honor is Due.

Winston-Salem Journal. It is gratifying indeed to note that North Carolina's historical exhibit at the Jamestown Exposition was awarded one of the medals for this very important class of exhibits. Our exhibit would not have been possible except for the generous aid of the United Daughters of the American Revolution, and no one person deserves more credit for its success than does Mrs. J. Lindsay Patterson, of this city, who was chairman of the committee, having the exhibit in charge. It may be remarked also that no city in the State contributed as much to the exhibit as did Winston-Salem.

Rheumatism

This is often a disease of the blood, though not always. It attacks usually the joints and tissue and causes a deposit of uric acid. In its acute stage it is one of much pain and suffering, sometimes affecting a large part or even all the body. When near the heart it is dangerous to life. We are thankful to say there is a proper treatment—Dr. King's Sarsaparilla internally to eradicate the poison from the blood. Dr. King's Nerve and Bone Liniment—externally, to give life to the stiffened, painful joints and tissue. Sold by Burwell-Dunn Retail Store.

Two Birds and One Stone

Two values for one price. When you buy a medium-priced "hand-me-down" you expect and get medium workmanship, and usually a medium fit. When you leave an order with us for a medium-priced suit or overcoat you get the same artistic design and the same conscientious workmanship that goes into the highest-priced clothes we make.

A HARD DEBT TO PAY.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery." Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous droning cough quit before the first bottle was used, and two more bottles made a complete cure.

HOW TO CURE A COLD.

Be as careful as you can you will occasionally take cold, and when you do, get a medicine of known reliability, one that has an established reputation and that is certain to effect a quick cure. Such a medicine is Chamberlain's Cough Remedy. It has gained a world-wide reputation by its remarkable cures of this most common ailment, and can always be depended upon. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and aids nature in restoring the system to a healthy condition.

Worlds of Benefit

Worlds of Benefit. Fish Creek, Wis., Jan. 27, 1907. I will gladly tell you, as near as I can, what Cardui has done for me. I suffered from womanly ills for years. Every year it was worse. No one knows what I suffered. Lots of times I had to stay in bed and have a doctor, but instead of getting better I got worse. At last I chanced to see one of your ads and decided to take Cardui. After the third bottle I knew it was doing wonders. Well, I kept right on, till I had taken seven bottles and now I can truly say that I am cured. I can do a big wash the first day as well as the last. I can never say too much for Cardui. I tell everyone about it and have begged a neighbor girl to try it, as I know it will help her. I received worlds of benefit from Cardui, and will always praise it.

THE MATTER WAS SENT SUBMITTED TO THE SECRETARY OF WAR FOR ADMINISTRATIVE ACTION.

The matter was sent submitted to the Secretary of War for administrative action. As the legal reason for the establishment and enforcement of the prohibition no longer exists, it is recommended that the order of exclusion be revoked. GEORGE B. DAVIS, Judge Advocate General. The acting Secretary of War, concurring in the views of the judge advocate general of the army, directs that any instructions heretofore given prohibiting the sale of coca-cola in army post exchanges be revoked.

"5-DROPS" CURED ME OF RHEUMATISM. Write WASHINGTON HESTER, Cox, Ohio. MR. HESTER writes: "I used the trial bottle of '5-DROPS' and it helped me so much that I purchased a dollar bottle from a druggist in Gillespieville, and have used over half of it. When I got your '5-DROPS' I was on crutches; now I can walk and have been plowing corn for two weeks. I have walked ten miles in half a day, and not felt tired. '5-DROPS' is the best remedy I have ever used. I have recommended it to five different parties who are suffering with Rheumatism, and it is curing them."

Dog-Tired! It is good for you to work, but not good to get "dog-tired." If you are weak, only a little work will put you into that condition and you may find it hard to rally. When this weakness is due to female disease, it is best to go to the root of the trouble and take Cardui. Cardui has been found to build up weak womanly organs, and should do for you the same as it has done for many, thousands of others. Composed of purely vegetable, absolutely harmless ingredients, Cardui forms a safe and reliable remedy, of specific power over the womanly organs and without injurious after-effects, on young or old. Take Cardui, when you are tired, exhausted, weary with the suffering and pains which come from the ills peculiar to women. Take Cardui, when you are weak and lack the energy and ambition to carry on your daily work. Take Cardui, for it is a woman's medicine, and, if you are a woman, it will surely do you good. Cardui has been found, by thousands of weak, miserable, suffering women, to relieve headache, backache, dragging feelings and to give new strength, vitality and health. Having been so successful, for so many years, in relieving the sufferings of other sick ladies it may surely be expected to do the same for you. Try.

"I Could Hardly Work" Laverne, Tenn., May 27, 1907. I suffered for some time with womanly trouble, and all summer my health was very bad. I could hardly do my work. At fruit-canning time I was taken very sick, as a result of overwork during the hot weather, and my husband called a physician. He left some medicine, which I took without the least benefit. I suffered so much and grew so weak, that I became alarmed and told my husband he must get me some Cardui. I obtained relief almost from the first dose, and before I had taken half a bottle I was doing my work again. I am still taking Cardui, as I believe that it strengthens me and is good for my baby. I am always telling my friends what a friend Cardui has been to me. I think it is the best medicine made, for women. MRS. INA BAYTES, Laverne, Tenn.
