Good Performance on New Orleans Track—Jockey Delahy's Record. New Orleans, Nov. 26.—Pinkola, at 1 to 8 in the third race at City Park to-day, won her fifth consecutive race. Jockey Delahy, who was riding Pinkola, rode two winners and one second place mount. Weather clear, track heavy. Summary: First race, 5 furlongs, Severance course; Ben Rose, 12 to 1, won; Polar Star, 9 to 2, third. Time, 1:33 3/4.

Chapel Hill Boys Behind Carolina's Team Whatever Comes.

Special to The Observer. Chapel Hill, Nov. 26.—The football team leaves to-morrow morning for Richmond to play against the V. P. I. team Thanksgiving. An enthusiastic mass meeting was held to-night to show the men that the students were behind them whether they won or not. Speeches were made by President Venable, Coaches Lamson and Simmons, Dr. Charles Hery, Mr. F. B. Hankin and others. The burden of the speeches was the expression of great confidence in the team, and Coach Lamson expressed his delight at the hospitality accorded him during his stay here this fall. All in all the mass meeting was a success and Carolina has great hopes of winning the game.

TO HAVE TWO PHONE SYSTEMS.

Bell Telephone People Will Enter High Point With the North State Company—A Home For Northside Fire Department to Be Erected—Mr. George F. Wilson Leases Bioco Foundry—Other News in Short Form.

Special to The Observer.

High Point, Nov. 26.—Last night in the Manufacturers' Club rooms a number of the citizens met to hear what Mr. W. T. Gentry, vice president of the Southern Bell Telephone and Telegraph Company, had to say about the telephone situation in High Point as regards the company. He said he wanted to take the people into his confidence and then proceeded to tell the audience about the Bell company, about its financial affairs, the dividends that have been paid, etc. He spoke of the disadvantages of two companies in the city but claimed that all efforts at compromise or agreements had failed and now the company had paid for a site and would come here—in fact poles were already on the way for the line; that High Point should have the best long distance connections, etc., that the line would be installed and if the people of High Point did not patronize it then his company would lose money. The proposed rates given are much higher than the present rates—in fact 30 per cent higher. People aware that they were higher, saying that his company did not claim to rent telephones as cheaply as local concerns.

It appears to be a fact that Mr. Hayden, of the North State Telephone Company, who is the most of the stock of the company, does not intend to enter into any agreement with the Bell people and also that High Point will have to be worried with a two-phone system instead of one. The North State company, or at least the stockholders, believe that Mr. Hayden is taking the best step and that he will win out in the long run. So this suggests a fight, as there are stockholders in the local concern who will lose every dollar they have invested here if they will agree to sell out and there are others who would sell out. That is the situation to-day.

Dr. W. G. Bradshaw, of the Globe Home Furniture Company, was taken suddenly ill yesterday and had to call in a physician. For a time he suffered much pain but is better to-day.

Mr. George F. Wilson, of the Southern Machine Works, has leased the Bioco Foundry and Machine Company and the casting made there will be shipped here. Mr. Wilson will put a competent man in charge.

Rev. L. A. Falls, pastor of the First South Main Street M. E. church, left yesterday with his family for his new charge at Greensboro. Rev. O. P. Ader, the new pastor, will arrive Saturday with his family. Rev. J. E. Thompson, the new pastor at Washington Street church, will also arrive with his family Friday.

Mr. O. N. Richardson, who has been in Florida for several weeks, has returned to his home here, where he will remain until after the first of the year. Mr. Richardson went to take charge of a large lumber mill, at a good salary, and before leaving he was elected general manager of the Seminole Sawmill Company, at Tallahassee.

It is quite probable that within a short time the city will commence the erection of a home for the Northside Fire Department with police and mayor's offices, etc., in the building. The Southside Fire Company already has a splendid building and the Northside company will have one equally as modern. It is the intention now to locate the building on College street, although the city owns a lot which it first intended to use for this purpose, on Jordan street.

Mr. and Mrs. Covenhoven arrived here last night with the family of Mrs. Covenhoven, father-in-law, George T. Leach, Mr. Covenhoven.

has been acting in the capacity of chief of exploitation of the Philippine Exposition since its show opened for business.

MARRIAGES.

THOMPSON-ADKINS NUPTIALS. A Pennsylvania Citizen Gets a Bride at Wilmington, in the Person of Miss Addie Green Adkins—Guests Arrive For Meredith-Withersbee Wedding—Foster-Manley Engagement Announced.

Special to The Observer.

Wilmington, Nov. 26.—Saint Paul's Episcopal church presented a pretty picture yesterday afternoon when it was the scene of the marriage of Miss Addie Green Adkins, of this city, and Mr. Archie J. Thompson, of Aspinwall, Pa. The service was by the Rev. A. W. Seabree, rector of the parish, and although no invitations had been issued to the wedding a number of friends were present to witness the pretty ceremony. The bride entered with her brother, Mr. J. J. Adkins, by whom she was given away at the altar. After the ceremony a brief reception was given at the home of the bride's mother and the young people left on the north-bound train at 7 o'clock for Washington, where they will spend their honeymoon. Later they will go to their future home at Aspinwall, where the groom is connected with the United States engineering corps. He is a son of Mr. and Mrs. Joseph Thompson, of Southport, but has resided North for several years. The bride is much loved and admired in a wide circle of friends here and at Southport, where the family formerly resided.
