You will meet men who trampled heedlessly on the \$5,000,000,000 worth of gold which John Hays Hammond estimated years ago lay in that hundred and thirty mile reef. And yet the ore seemed miserably poor.

And Paris with a capital of \$3,750,000. The magic hole was solemnly sealed, and in due time all the world's eyes were upen it. Men said it would send out gold by the ton.

Dramatic indeed was the re-opening—not a color of gold was to be found.

scale and grind the stuff out—sure and certain of the profit on every ton.

When the secret of the sloping reef leaked out there came one of the most sensational gold rushes of modern times. One man found that part of his came inside an old Dutch church. But that was no reason for reverence:

But that was no reason for reverence: his peg under the altar!

To-day, besides the surface comanies, there are the rows of deep A strong sentiment in favor of perdeeps; and deeper deeps are driven beyond these again to spear the fast sagging reef. No wonder \$5,000.

Machinery and labor and a wait of ten years patiently endured before the gold can even be touched.

A strong sentiment in favor of permitting the government to issue emergency national bank notes exists among the bankers of the States which lie close to the District of Columbia—Virginia, Maryland, West Vrgina, and North Carolina.

An almost equally strong opposition of the same relish that he approaches a Christmas dinner.

Mr. Joe Knox, who has been building four residences in the south end of town, completed the job yesterday, the workmen retiring in full time for Christmas shopping.

old and diamonds—and nothing else There is not another single industry to support the country.

rush to Johannesburg. Business Post recently put two questions to Wagner made a test to-day of the con-houses trebled in number. Structures heads of banking houses both here tents of the bottle found in the inworth \$40,000,000 were put up with and in Virginia, West Virginia, Maryfeverish haste. Then came the reac- land, and North Carolina. These tion, and an amazing exodus of white questions were:

men from the city of gold. aborers in central Africa, with the gency in currency? poorest results. Only 17,000 shivering negroes were secured, and as these came from a tropic climate they could

not stand the cold winter, For this reason an army of Chinese, hearly 60,000 strong, was imported, and this raised a grave political question in the British House of Commons. Yet notwithstanding all drawbacks it is certain the Rand's output will be maintained and the world's gold supply will surely increase instead of fall-

Every year sees new fields tapped. Those of Australia are as yet barely scratched, because of the difficulty of travel in the waterless interior. The

All Seams Allowed.

Black-and-white shepherd's plaid, featherstitched with scarlet and worn over a guimps
of scarlet vivella flannel, makes this dress et appropriate for every-day wear during coming Winter. The full skirt is finished with a deep bem, and gathered into a walst-band of the material. The suspenders are shap-ed like bretelles over the shoulders and are ins-tened to the waist-band by small red fiannel utions. The pattern is in 4 sizes—3 to 9 years, for a child of 7 years the dress requires 2% ards of material 27 inches wide, or 1%

J. S. COTHRAN, Southern Representative, 405 Treat Mide, OHARLOTTE, N. C.

Poor it is, yet so regular and stable in quality that all one need do is to put down machinery on a big enough scale and grind the stuff out—sure and certain of the profit on every ton.

CHRISTMAS AT DAVIDSON.

holidays. At no time does one feel the force of the old saying, "there is no place like home" just quite so strik-ingly as at Christmas, and yet the bunch of fellows is large enough to keep each other company and those who enjoy such diversions are finding cordial welcomes in the village homes and the several social entertainments.

It is not likely that reports can be sent out for one or two more days yet, as the classes having final examination on the last day of the December term are always large, designedly so in fact that all may get through as far as possible together and make a start for nome at the same time. To examine and report on 100 long examination papers is a tedious and disagreeable work, and no instructor attacks the task with the same relish that he ap-

INFERNAD MACHINE TESTED.

Chief of Police Tests Machine Ser Through Mail and Finds Solution Be a Dangerous One. Erie, Pa., Dec. 25 .- Chief of Police

fernal machine mailed to Archie Carr, 2208 Cherry street, this city, at the South Erie sub-postoffice yesterday. He poured two drops of the white liquid on a piece of wood and taking it to the open air touched a match to the fluid. When the blaze reached the stuff a sheet of flame at least four feet high shot into the air, proving the solution to be a dangerous one. The North McDowell street, Charlotte, N. bottle will be examined by a chemist to-morrow. Postal authorities refused to make any statement to-day, simply saying that inspectors are at work on which I suffered for years and could

whole body of over nine hundred acres, two hundred are fine farming land, on which will be conducted a dairy and poultry farm.

Lucian Bryant and Theo. Evans, negross, were arrested yesterday, charged with selling whiskey, being walking billed tigers," and carrying the liquor about in their clothes.

The government contractors are tearing down the large Matthews house on Hay street, standing on part of the site for the public building. And so the old astructure passes away for good and all. Sixty-five years ago it stood near the business centre, in what is now the Hotel LaFayette block, and the late David A. Ray had it moved, entire to its present poetiton, to make way for the erection of the iron-front Starr and Williams store, even now one of the handsomest in the city.

Christmas in Fayetteville, up to this writing, is about an average festival, with not much disorder beyond the regular Christmas Eve, made ildeous by horns, drums, firewerks, and all other kinds of torturing noise.

With ornate and tasteful interior decrations, elaborate and impressive services were held to-day in St. John's Episcopal church, Rev. I. W. Hughes, rector, with the following music rendered by the vested choir: Processional, "Hark, the Herald Angels Sing;" "Te Deum Landamus;" "It Came Upon the Midnight Clear," "O Lattle Town of Bethiehem;" "Calm On the Listening Ear of Night. Contraits colo with violin obligato: "Ganctus;" "O Lamb of Ged."
