FAYETTEVILLE NEWS BUDGET.

Bank Officers Elected—Views of Prohibitionists—Crosses For Veterans—Convicted of Capital Crime—Sermon to Soldiers—News in Brief.

Fayetteville, Jan. 18.—At the meeting of the stockholders of the National Bank of Fayetteville Friday the reports showed a very satisfactory condition of the bank. All the directors were re-elected, with the addition of H. L. Cook, a new director. The officers are: W. A. Vanstoy, president; S. W. Cooper, E. H. Williamson and John Elliott, vice presidents; A. B. McMillan, cashier; Thomas Enaw, assistant cashier.

It begins to look very much as if the Republican party in North Carolina ought to be willing to pay the expenses of the extra session of the Legislature. From what has been heard the speaker has been able to gather in street talk, the prohibitionists of the town and county are divided as to the advisability of touching the question of prohibition during the extra session.

The Cumberland members of the Legislature all live at a considerable distance from town, and the writer has not been able to get their views, but he ventures the opinion that two will favor it and one will oppose it.

The following veterans will receive crosses of honor at Lee's birthplace, Sunday afternoon: James Hollingsworth, Alex. Smith, H. B. Averitt, D. B. Aury, Third Regiment; D. J. McLaurin, R. J. Harrison, Tairty-Eighth; Edmund Warren, Forty-ninth; Calvin Thames, J. F. Sinclair, First; James C. Cunningham, Second; Stephen Gales, Eighth. The Lee memorial exercises will be simple but impressive, consisting of the reading of his farewell order, with remarks by Rev. I. W. Hughes; roll call and presentation of crosses of honor, by Mr. E. W. Nolley; tribute to Lee, by Maj. E. J. Hale. The veterans of Camp No. 852 and the Independent Light Infantry battalion will form the guards of honor and escort to the Daughters of the Confederacy.

Alex. Williams, negro, was convicted in Superior Court Friday of criminal assault on his own child. The independent Light Infantry battalion, Maj. John C. Vann commandant, will attend services at St. John's Episcopal church Sunday morning, to hear the annual sermon by his chaplain, Rev. I. W. Hughes.

In accordance with an ordinance recently passed, the municipal authorities have issued a list of license taxes, which will add something over \$1,000 annually to the city treasury. But there is a strong kick coming from those affected by the ordinance.

A. P. King, of Raleigh, merchant tailor, has moved his business to Fayetteville and is occupying No. 427 Ramsey street with his family.

Much regret is felt here at the probable discontinuance of the Bennettsville "Shoofly" train leaving here at 4:30 o'clock in the morning, and returning at 9:45 at night, which has been of great convenience to local travel.

Mr. W. H. Hunter, of Charlotte, has taken a position with the Western Union Telegraph Company in this city.

Company F, Second Regiment, presents a claim against the government for repayment of \$1,000, the cost of uniforms furnished by the men during the Spanish-American war.

TO ESTABLISH BOAT LINE. Greenville Wants Better Transportation Facilities With Washington—Machine Company Running With Full Force—Washington Band Invited to Charlotte.

Washington, N. C., Jan. 18.—The citizens of Greenville, N. C., are very anxious to secure a new line of boats between that town and this city for the purpose of affording a cheaper and quicker means of transportation by water between the two points.

Representatives of the chamber of commerce of that city have been here for the past few days conferring with the directors of the North Carolina and Virginia Steamboat Company, of this city, and trying to perfect arrangements by which its line of boats will extend on to that place.

Messrs. J. P. Taylor and E. A. Daniel, directors of this company, were appointed to meet the Greenville chamber of commerce next Monday evening and perfect arrangements by which the proposed line may be established.

If the desired plans can be perfected the line will connect both cities and tend to cut down freight rates as well as greatly increase the commerce between the two cities.

The Bijou, a moving picture show of this city, recently under the management of Mr. W. E. Jones, has changed hands. Mr. Jones is selling out to Mr. W. O. Guthrie, who operates a number of these theatres in Newbern. Mr. Guthrie will continue to operate the Bijou at the same place in this city.

The National Machine Company, which for the past few weeks has been running on short time and laying off a number of hands, has started up in full force again, working full time, and now has a large number of orders to fill.

The Washington Concert Band has recently received an invitation to come to Charlotte May 20th and enter a prize contest in which all the principal bands of the State will compete.

The manager of the local band is now in correspondence with the Charlotte party and hopes to be able to attend. This prize, it is stated, is from \$750 to \$1,000. Washington has one of the best 16-piece bands in the entire State and is in good practice and intends to practice all the harder in preparation for the coming contest, if it can be arranged to attend.

LAME SHOULDER CURED.

Lame shoulder is usually caused by rheumatism of the muscles and quickly yields to a few applications of Chamberlain's Pain Balm. Mrs. F. H. McElwee, of Bolstown, New Brunswick, writes: "Having been troubled for some time with a lame left shoulder, I decided to give Chamberlain's Pain Balm a trial, with the result that I got prompt relief."

THE PURE FOOD LAW

Secretary of Health says, "One of the objects of the law is to inform the consumer of the presence of certain harmful drugs in medicines." The law requires that the name of the manufacturer of each medicine be stated on the label of each bottle.

The manufacturers of Chamberlain's Cough Remedy have always claimed that their remedy did not contain any of these drugs, and the truth of this claim is now fully proven, as no mention of them is made on the label. This remedy is not only one of the safest, but one of the best in use for coughs and colds. Its value has been proved beyond question during the many years it has been in general use. For sale by W. L. Hand & Co.
