been made but none are satisfactory. hall, of Bath, Me., were brought here to-day by the steamship Bermudian Your correspondent to-day had a very interesting interview with State Chemist Kilgore, who has charge of the State test farms, regarding the one in Buncombe county. This was recently purchased and \$8,000 was paid for it, or which the people of the county gave \$900. There are \$60 acres in the tract and it is midway between Black Mountain and Swannanoa station, in the beautiful valley of the Swannonoa river. The location, Dr. Kilgore says, is admirable in every way and it is proposed to men under J. F. Weish, second mate, make the farm one of the finest in put off from the Bermudian to enthat section of the State. An effort deavor to effect the rescue of the Newthat section of the State. An effort was made to sell the farm in Transylvania county and apply the money to the purchase of this Buncombe farm, but the member from Transylvania opposed this. The people the latter county had given \$500 ards the purchase of the farm the. The bill which was introduced in the Legislature for the sale of Transylvania farms, but which the Transyvania larm, but which failed to pass, provided that the \$500 should be returned to the givers. Both farms will be maintained. This will make five of these farms in the State, there being one near States-ville, one near Tarboro and another not far from Wilmington. On the imbe county farm tests will be made of fruits, truck, grains, grasses and also live stock. It will in fact be made a show place, and being on a prominent line of travel will be
