

THE DEATH RECORD.

DEATH OF MR. TAYLOR GLENN.

A Well-Known Citizen of Gaston County Passes Away Suddenly of Heart Disease After a Suffering With Rheumatism For a Long Time.

Special to The Observer. Gastonia, March 10.—The Union neighborhood of this county was shocked this morning to learn of the sudden death last night of one of its best farmers and most highly esteemed citizens, Mr. J. Taylor Glenn.

Mr. Glenn had been ill since Friday last, but his illness was not of such a nature as to cause his family to be apprehensive regarding his condition. For a number of years he had suffered from rheumatism in his right wrist and arm and since Friday this had grown worse.

It is probable that the affection reached his heart, thus causing death. His son, Mr. Claud Glenn, who was sleeping with him, gave him some medicine at midnight last night and was awake again at 2 o'clock this morning, at which time his father was apparently sleeping all right.

A half-hour or so later he awoke and found his father dead, though his body was still warm.

Mr. J. Taylor Glenn was 61 years and one month old yesterday. He was a native of Gaston county and had spent the larger part of his life in the Union neighborhood.

He was a Confederate veteran, having served his country faithfully during the civil war. He was held in the very highest esteem by a wide circle of friends and will bring sadness to the hearts of all who knew him.

Surviving the deceased are two sons, Messrs. Claud and Robert Glenn, and one daughter, Mrs. D. L. Russell, of Hickory; one full sister, Mrs. J. H. Hoffmann, of the Union neighborhood; two half-sisters, Mrs. William Patrick, of Gastonia, and Mrs. Burt Bell, of Clover, S. C. His wife died shortly before last Christmas.

The funeral will be held from the Union Presbyterian church to-morrow, the hour not having been definitely fixed. Interment will be in Union cemetery. Rev. G. A. Sparrow, the pastor of the deceased, will conduct the services.

NEVER WAS SICK. Mr. Oliphant Whicker Dies of Old Age, a Physician Never Being Needed.

Special to The Observer. Winston-Salem, March 10.—Mr. G. H. Hastings left yesterday for Rocky Hill, N. C., to attend to the death of his grandfather, Mr. Oliphant Whicker, who died yesterday morning at 4 o'clock at the home of his daughter, Mrs. Louise Hastings, two miles west of Kernersville.

Mr. Whicker was one of the oldest and best known citizens in the county and was held in the highest esteem by all who knew him. His age was 85 years and six months.

Until last Tuesday Mr. Whicker enjoyed unusually good health. The first physician that ever visited him called to see him last week. The physician was unable to discover any disease, old age being the only cause assigned for Mr. Whicker's illness.

Only about six months ago Mr. Whicker walked from his home to Winston-Salem, a feat that only a few men of his age could perform. The deceased is survived by four sons and two daughters. His wife died several years ago.

The funeral services were held this morning at 11 o'clock at Saint's Delight, near Walkertown, and the interment was in the graveyard there.

Mr. R. P. Piehoff, of Spartanburg, S. C. Spartanburg, S. C., March 10.—Alderman R. P. Piehoff died at his home in this city yesterday morning after a long and painful illness, he having been a sufferer from tuberculosis for a long number of years.

Mr. Piehoff was serving his second term as a member of city council from Ward Five, he having been elected in 1905 and re-elected in 1907. He was a member of the Knights of Pythias, a Mason and a charter member of the Spartanburg Typographical Union.

Several years ago he secured an appointment in the government printing office through Congressman Johnson, but was forced to leave Washington as the winters there were too severe for his constitution. He is survived by a widow and five children.

King's Mountain Man Killed in West Virginia. Special to The Observer. Gastonia, March 10.—A young man named Allen, whose first name was not learned, was killed in West Virginia a few days ago and his body was brought to his old home at King's Mountain Sunday night Nov. 25 for burial. His body was interred in the King's Mountain cemetery. Details as to his death are very meagre. He was a section boss on a railway and it is presumed that he met his death accidentally while engaged in his work.

LODGE ROOMS OPENED.

Winston Masons Formally Dedicate New Quarters—Address Delivered by Prof. M. C. S. Noble.

Special to The Observer. Winston-Salem, March 10.—The Masonic lodge rooms in the Masonic Temple, one of the handsomest buildings in the State, were formally opened last night when Winston Lodge No. 187, A. F. & M., met in regular communication. In addition to the members of the lodge there were present eighty visitors, most of whom were from out of town.

The unanimous verdict of all the visitors included, was that the lodge has the handsomest furnished and the most conveniently arranged rooms of any lodge in the South, and some were heard to say it would be hard to find one in the North to surpass them. The lodge rooms were furnished at a cost of about \$3,000.

The meeting last night was enthusiastic as well as largely attended. Several interesting addresses were made, after which a social session was held in the banquet hall at which light refreshments and cigars were served.

One of the most interesting features of the occasion was the presentation of the photographs of two of the former members of the lodge, Mr. Peter A. Wilson, Sr., and Mr. M. W. Norriss, deceased.

The principal address was delivered by Prof. M. C. S. Noble, a member of the faculty of the State University, who spoke on "Masonry."

Professor Noble spoke in his characteristic manner and held the undivided attention of his hearers. He is a favorite in Winston-Salem, where he is well known, and his many friends are always glad to see him and hear him speak.

Mr. L. M. Clymer, of Greensboro, secretary of the Order of the Eastern Star, the woman's branch of Masonry, for North Carolina, addressed the assemblage, urging the lodge to reinstate the local lodge of the Order of the Eastern Star.

During the evening an excellent musical programme was rendered.

Rheumatism. This is often a disease of the blood, though not always. It attacks usually the joints and tissue and causes a deposit of uric acid. In its acute stage it is one of much pain and suffering, sometimes affecting a large part or even all the body. When near the heart it is dangerous to life. We are thankful to say there is a proper treatment—Dr. King's Sarsaparilla—internally, to eradicate the poison from the blood. Dr. King's Nerve and Bone Liniment—externally, to give life to the stiffened, painful joints and tissue. Sold by Burwell-Dunn Retail Store.

Skill of High Point Children to Be Shown—Governor Invited to Make Address the 16th—News in Brief.

Special to The Observer. High Point, March 10.—Next Saturday there will be a school exhibition in all the grades of both schools. The rooms will be especially arranged for the purpose and some of the work of each child will be on exhibition.

Through the invitation of the mayor, the anti-saloon league, the pastors' association and the W. C. T. U., Governor Glenn will address a mass meeting here the night of March 16th, most probably in the graded school auditorium. The Governor will speak on prohibition.

At a meeting yesterday of the High Point pastors' association the secretary read a letter from Rev. W. H. McMaster, of the State Sabbath Association, relative to a trip to High Point, and the secretary was instructed to write Mr. McMaster asking him to visit the city and make addresses on Sabbath observance the first and second Sundays in April.

Mr. George Aldridge, who has been in the engineer corps of the United States army for several years, and who is now located at Havana, Cuba, is here on a visit to his brother, Mr. Lee Aldridge, living near this city.

He says that some time ago he was riding on a boat around Havana and met a stranger who asked where he was from, and being told he was from North Carolina, the stranger remarked that there was one good town in that State and one of the best in the South, namely, "High Point." After this Mr. Aldridge was glad, he says, to inform the stranger that he also was from High Point. Mr. Aldridge will remain several days before returning to his relatives.

Freight Agent Schaub, of this place, says that business has evidently touched the bottom and from now on will get better; that there will be no cause to lay off any more hands at the depot and that those remaining have about all they can do to handle the business.

CHURCH ORGANIST LEAVES. Friction With Rector, It is Said, Causes Professor Lough to Quit Spartanburg. Special to The Observer. Spartanburg, S. C., March 10.—Prof. A. H. Lough, who for the past six months has been organist and director of the choir of the Church of the Advent, has severed his connection in that capacity and gone to Greenville, where it is said he will become director of a church choir in that city.

Concerning the departure of Professor Lough there is an interesting bit of gossip as to the cause of his quitting the Church of the Advent and leaving Spartanburg. Rumor has it that friction between the rector of the church and the organist grew out of the fact that Professor Lough offered the service of the church choir at a funeral held here some time ago.

Rev. M. Magruder, rector of the Church of the Advent, when seen today admitted that Professor Lough had left the church and gone to Greenville. He said that he had talked with Professor Lough on several occasions about his good work as choirmaster and spoke with him along certain lines for the future development of the choir and his success as a musician. Mr. Magruder said that Professor Lough had done excellent work in the church and that he is a young man possessed of remarkable musical ability.

Valley Fair Association, a position to which he was elected last month.

Mr. Dorsett has succeeded as banker and merchant and is splendidly equipped for this work.

Good For Everybody. Mr. Norman R. Coulter, a prominent architect, in the Delbert Building, San Francisco, says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It is good for everybody. It corrects stomach, liver and kidney disorders in a prompt and efficient manner and builds up the system. Electric Bitters is the best spring medicine ever sold over a druggist's counter; as a blood purifier it is unequalled. See at all drug stores."

It is said that feeling against the alleged murderer has abated and that it is believed there is no longer any danger of mob violence.
