STATE COLLEGE GAMES TO-DAY

At Raleigh: A. & M. vs. William and Mary. At Durham: Trinity vs. Colgate.

TRINITY FINDS

COLGATE VERY EASY

Special to The Observer. Durham, April 1.—Trinity College won the first of a series of two games with Colgate University here to-day, easily shutting the visitors out. The locals scored one or more runs in every inning played except the first, piling up nine against the goose eggs of the visitors. Although the score indicates a one-sided game, the contest was not slow, but the Trinity fellows just made good and timely use of the willow, getting off the Yankee pitcher sixteen clean hits. The visitors, however, failed to find the speedy ones of Lane, who pitched an excellent game allowing only two hits. Fred Flowers in centerfield made two spectacular catches, pulling down in the first one that looked good for a score for the visitors. Lane, Claude West, Armfield and Bivens were effective with the lumber and found the New Yorker easy. Trinity's team fielded like veterans.

Score by innings: R. H. E. Colgate 000 000-0 2 5 Trinity 012 131 012-9 16 4 Batteries: Switzer and Leonard; Lane and Claude Flowers. Summary: Struck out—By Lane 6, by Switzer 2. Two-base hits—By Trinity 7 (Bivens, Lane, Sutter), by Colgate 0. Three-base hits—By Trinity 1 (Claude West), by Colgate 0. Bases on balls—Off Lane 1, off Switzer 1. Earned runs—Trinity 9, Colgate 0. Umpire, Frank Wrenn. Time, 1:55.

The Observer Team Swamped

Yesterday at Latta Park diamond the Covenanters walloped The Observer team by the score of 15 to 0. The newspaper boys had one bad inning, the first, in which they went 'way up in the air and allowed their opponents to score 12 runs, but after that they settled down and the remainder of the game was a fine exhibition. Both pitchers worked well and their support was superb.

CAROLINA GETS BEST OF CORNELL

Special to The Observer. Chapel Hill, April 1.—Carolina conquered Cornell here this afternoon to the tune of 5 to 2. The game was interesting from beginning to end and the teams did good work both in the field and at the stick. The Cornell men did especially well in the field, making only one error. There was much kicking at the umpire's decisions on the part of the Cornell men, they claiming that they did not receive a square deal. Carolina started the scoring in the second, when by some pretty hitting they sent three across the rubber. She added one in the sixth and one in the eighth. Cornell scored in the fourth and again in the ninth, when Lally, catcher, knocked a clean home run.

Fulenwider pitched a beautiful game, striking out eleven men. Caldwell, for the visitors, did good work and except in the second kept the hits scattered. The features were Lally's home run and the infield work of both teams. The line-up was as follows: Cornell—Catcher, Lally; pitcher, Watson; first base, Fulton; second base, Matchon; third base, Hellman (capt.); shortstop, Gable; left field, Cornwell and Judson, centre field; Williams and Eberling, right field. Carolina—Fulenwider, pitcher; Hobbs, catcher; Hamilton, first base; Montgomery, second base; James (capt.), third base; Fountain, shortstop; Hackney and Sutton, left field; Stewart, centre field; Tillet and Stevens, right field.

TRANSPORTATION IS SENT

Four Pitchers and Two Catchers Are Expected to Report For Duty by Sunday Night.

Manager Reynolds was busy yesterday sending transportation to his pitchers and catchers. Four pitchers and two catchers receive the necessary papers to bring them to the Queen City. The pitchers are: Wiley and Harry Platt, of Ohio; James Finn, of Frostburg, Md., and H. H. Platt, of Platt, N. C. The two catchers are: L. W. Metz, of Cumberland, Md., and P. H. Hinton, of Richmond, Va.

That Boston Game Gone Up in Smoke

As most fans probably already know, the arrangements with the Boston Nationals for a game in Charlotte have fallen through. A number of things failed to work right. A college which had wished to meet the New Englanders later decided that it did not wish to, and the visitors and the management of the local ball grounds failed to "gee" exactly. There was no possibility of playing Charlotte's team, which has not reported for duty, and the new grounds were not ready anyway. So it's all up with the Bostonian game, which should have been played to-day.

OAK RIDGE 6; D. & D. 1

Heavy Hitting and Good Fielding Features of an Excellent Game. Special to The Observer.

Oak Ridge, April 1.—Oak Ridge Institute defeated the North Carolina School for the Deaf and Dumb in a well-played game here to-day. Heavy hitting and sharp fielding characterized the game. The visitors gave the locals excellent practice and played an excellent game. A large crowd witnessed the contest. A. M. Bennett, of the Spartanburg team, umpired the game to the entire satisfaction of both teams.

Score: R. H. E. Oak Ridge 6 2 0 D. & D. 1 7 2 Summary: Batters: Stevens and Holt; Biggerstaff and Woodell. Two-base hits—Cook, Stolen bases—Moore 2, E. Holt 2, Holt 1, Harris 1. Struck out—By Stevens 5, by Biggerstaff 1. Bases on balls—Off Stevens 4, off Biggerstaff 4. Time of game, 1:30.

Tommie Ryan Again Defeated

Special to The Observer. Wilmington, April 1.—Edward J. O'Connell, of Cornell University, last night at the Academy of Music defeated Tommie Ryan, local champion, in one of the most scientific exhibitions of wrestling ever seen here. O'Connell is a college bred man and is down South after the scalp of Charles Conkie, the present water-weight champion of the United States, with whom he had a match arranged at Columbia Monday night, but which was postponed for some reason. The Cornell boy took two of the three falls out of Ryan in 17 minutes and the New Englander the second and third falls in 17 and 24 minutes, respectively. O'Connell weighs in at 135 while Ryan is 173 pounds in avoidpoids. The Cornell grappler won on superior knowledge of the game and head work, which was more than a match for the weight and strength of the Scotchman. Ryan and Ladue, of Charleston, are matched here for Saturday night.

Saturday's Game

Local fans are not forgetting the coming contest of strength between Davidson College and the Agricultural and Mechanical College on the baseball diamond here Saturday afternoon. This will be the first big college game of the season, not only in Charlotte, but in the State. Nowhere else have teams of two representative North Carolina institutions thus far met. The admission will be 50 cents.

AT BENNING

Washington, April 1.—No better card of overnight events has been offered at the present Benning meeting than that of to-day. The first race, a selling affair for three-year-olds, proved to be the best of the day. Another Pitcher For Charlotte

Manager Reynolds yesterday signed Harry Platt, a forty-second year cousin of Wiley Platt, as the fifth candidate for a position on the Hornets' pitching staff. Platt is a big, husky youngster, with plenty of speed and curves and is recommended highly to the local mogul.

CONDEMN'S COMIC SHEETS

Kindergarten Worker Declares That They Undermine the Ideals so Carefully Built Up at School During the Week

New Orleans, April 1.—An attack on the comic supplements of Sunday's newspapers was made to-day before the international kindergarten union by Miss Ella C. Elder, of Buffalo. She said the schools throughout the country for five days a week are trying to build up in the children's minds the right idea of literature, of art and of ethics, while on Sunday parents, by admitting the comic supplement to their homes, undermine the ideals so carefully built up.

William Tomlins, of London, England, delivered a lecture on the relations of songs and education. The following officers were elected: Miss May S. Hill, of New York, president; Miss Alice O'Grady, of Chicago, first vice president; Miss Marguerite Giddins, of Denver, auditor.

THREE MEN DROWNED

While Crowd is Watching Swollen River the Bridge Collapses, Precipitating Eight Men into the River—Three Are Drowned and Others Have Narrow Escape. Bluefield, W. Va., April 1.—Three men were drowned to-day at Rock by the collapsing of a suspension bridge spanning Bluestone river. The dead: J. W. Young, aged 18; Arthur Castle, aged 24; S. W. Saunders, aged 23.

All the streams in this section are swollen by heavy rains. The victims were standing on the bridge with five other men and boys watching the rushing current when the bridge gave way, precipitating the entire eight into the river. Five were washed down stream to a point where the river had overflowed its banks and were lodged in trees and bushes from which they were rescued. The bodies of the three victims have not been recovered.

TRUTHFUL REPORTS

Charlotte Reads Them With Uncommon Interest. A Charlotte citizen tells his experience in reading this statement. No better evidence than this can be had. The truthful reports of friends and neighbors is the best proof in the world. Read and be convinced. Mrs. J. W. Mitchell, 505 N. Pine Street, Charlotte, N. C., says: "I have no doubt as to the merit of Doan's Kidney Pills and advise any one afflicted with kidney trouble to give them a trial. Although I have not been using them very long, the results I have already received have greatly demonstrated their curative ability. They have strengthened my kidneys and have restored them to their normal condition, thus causing my system to be rid of uric poison and improving my health. They have also greatly lessened the backache and pains in my loins and I feel confident that with a continued use I will be cured."

Indigestion Cured

Leesburg, N. C. May 3d, 1905. Several years ago I was suffering from indigestion. For three months I had to live on milk and bread. I could not touch meat or grease of any kind. If I would eat the smallest quantity of meat at night I would not sleep a wink. I was just as weak and nervous as I could be, so nervous I could hardly pass a cup of coffee at the table. Eight bottles of Mrs. Joe Person's Remedy cured me after the doctor's medicine failed. JNO. R. PETTIGREW.

Horne the People's Candidate For Governor

THE MAN to SECURE HARMONY and UNITY to the PARTY and BRING VICTORY THE MAN WHO WILL BE GOVERNOR AND NOTHING MORE

An Enthusiastic Ashley Horne Club Has Been Formed at Durham, With a Charter Membership of Something Over One Hundred Democrats. That This Club is Enthusiastic and Means Business is Evidenced by the Letter Which it is Sending Out, Reading as Follows:

Durham, N. C. March 21, 1908.

We, the undersigned members of the Ashley Horne Democratic Club of Durham County, feel moved to call upon the voters of the State of North Carolina to support the Hon. Ashley Horne for the nomination for the Governorship in the approaching Democratic State Convention, for the following reasons:

- First. He was a brave Confederate soldier. Four years of bloody war, bravely and loyally he followed "Mars Robert," and WALKED HOME FROM APPOMATTOX BAREFOOTED.
Second. When this Commonwealth was buried in the gloom of war and shrouded in the desolation of defeat, it was Ashley Horne and his comrades that blazed the way out of the wilderness of bitter days and the slough of despondency, and set her upon her feet.
Third. Faithful in war, faithful in peace; his ear has never been dull when his State needed the services of his good right arm.
Fourth. A Democrat without apology and without guile, he has always led the Vanguard in his section when the Democratic party needed a Standard Bearer.
Fifth. These times demand a BUSINESS MAN for Governor. Nominate Ashley Horne for Governor and we guarantee a four years' administration in which the business interest of the State will be duly fostered, conserved and protected. Help us to inaugurate a Business Man's administration.
No man from the Gulf of Mexico to the Potomac, sustains a higher character;—no man's name has higher credit in the markets of the world;—no man's name is a greater token for honor and fidelity;—no man's name stands out more prominently for a "square deal" than Ashley Horne. Hence our appeal to the business world to support Ashley Horne.
Sixth. Without cant or hypocrisy, he has ever been a sober, moral, high-toned, honest man.
Seventh. He represents no faction. He has no "machine." He is a member of no "combine." He is a plain man and asks the support of the plain people: If elected he will be the People's Governor, with no machine to keep in order, no combine to tie his hands.
Eighth. If elected, he will be Governor, and he will not use that great office as a stepping stone to something higher. He will perform the duties of that office to the best of his ability and at the end of his term return to private life.
Ninth. He is a Prosperity Promoter.
Tenth. He was a private in Lee's army. He carried a musket. Probably this is your last chance to vote for a Confederate soldier for Governor.
He has been a big success in the management of his own affairs. Make him Governor and give him an opportunity of applying fine business sense to the management of our State affairs.

We appeal to the FARMERS to support Ashley Horne,—to make him their candidate. Coming out of the war without a dollar, he now owns more land and is the biggest farmer in Johnston County. He knows the farmer's life and his needs, and is pre-eminently the farmer's friend. Now is the opportunity to make a successful farmer a successful Governor of North Carolina. THE FARMERS OWE IT TO THEMSELVES TO SUPPORT ASHLEY HORNE.

We appeal to the MERCHANTS to support Ashley Horne. Beginning with only a pittance, to-day he stands at the head of the line, and at his side door, perhaps, more bags of cotton are bought and paid for than at any store in North Carolina.

We appeal to the MANUFACTURERS to support Ashley Horne. In these days of stress, of idle men and idle factories, but few, if any, men are furnishing employment to more labor than does Ashley Horne, in the cotton factories, fertilizer factories and the various other industries with which he is associated.

We appeal to the BANKERS to support Ashley Horne.—President of one bank and Director of several others, no line of banking institutions in the State stands higher or has more assets in character (the influence that pays dividends these panicky times) than the banks with which Ashley Horne is connected.

A man of clean life;—a friend to education;—a friend to the Elementary Institutions of the State;—a friend to the poor;—a friend to his fellow man;—one who deserves the confidence and love of every man, woman and child in North Carolina; we call upon every man who can vote to show his appreciation of his great worth and great work, and support first, last and all the time, Ashley Horne for Governor.

A Farmers' Candidate
