

FOR FOUR BATTLESHIPS

(Continued from Page One) were all agreed that Subig bay, on account of its depth of water, was the proper place for the permanent station.

Mr. Sherman, of Kentucky, persisted that Admiral Dewey and the joint board of which he is president had recommended Cavite, but Mr. Foss asserted that that recommendation never had been approved, and that for years back the joint board had declared in favor of Subig bay.

Mr. Hobson, of Alabama, detailed the situation at Subig bay from a military standpoint and reiterated his views in favor of that location as a naval base.

Mr. Sherman asserted that it would have been more desirable to Congress if Admiral Dewey had made his dissent to the findings of the board "instead of acquiescing in the findings and making his dissent by telephone."

Mr. Hobson retorted that if Admiral Dewey and the general board had told the naval committee and whole Congress "that this whole question was to provide against the sudden attack of 150 men that could land at League island," Mr. Sherman would "criticize the admiral and the board and the President and the Navy Department and every other man who studied the question for bringing up a war scare."

Following the withdrawal by Mr. Jones, of his amendment, a prolonged debate was precipitated over the point of order made by Mr. Foss against the provision in the bill granting to the Secretary of the Navy authority to make expenditures for repairs and changes on vessels in excess of the limit now fixed.

The efficiency of the personnel of the American navy was vigorously defended by Mr. Hobson.

THE DEATH RECORD.

Infant Son of Mr. and Mrs. N. M. Lawrence, Jr. Special to The Observer. Smithfield, April 14.—It was with a peculiar sense of sorrow that many friends and neighbors gathered at the grave of Nathan, the infant son of Mr. and Mrs. N. M. Lawrence, Jr., this afternoon to pay the last mark of respect to a little one who had been sick for only a short while but the Reaper knew best, so He gathered the little one home to rest.

Dr. James F. Atkinson, of Chester, S. C. Special to The Observer. Chester, S. C., April 14.—Dr. James F. Atkinson, one of Chester county's best-known and most esteemed citizens, died suddenly at his home near Richburg, at an early hour this morning. He had been in failing health for some time. He leaves a wife, four sons and two daughters. Dr. Atkinson was in his 73d year. He enlisted in the Sixth Infantry at the outbreak of the war, but later was transferred to the cavalry.

Mr. C. V. Heath, of Statesville. Special to The Observer. Statesville, April 14.—Mr. Charles V. Heath died Sunday morning at his home at Harmony, of a long illness. It had been realized for some time that his condition was hopeless and death was not unexpected. About six weeks ago Mr. Heath entered an operation at the Long Sanatorium here, returning to his home two weeks later. The operation was performed as a last effort to save his life, but it failed in its purpose. The deceased was a son of Mrs. Milburn Heath, of Harmony, and was about 40 years old. He is survived by a wife and one child, his mother and a number of brothers.

Mrs. J. A. Atkinson, of Hamlet. Correspondence of The Observer. Hamlet, April 13.—Mrs. J. A. Atkinson, wife of the former mayor of this place, died at her home here Friday evening of last week after a sickness that covered a month. She was first taken with grip, which developed into a complication of diseases and her sufferings were intense. She was 64 years old and had been a member of the Baptist Church for several years. While very young she was married to Mr. J. A. Atkinson, then of Cheraw, S. C., with whom she lived for 40 years. She was the mother of three children, survive. The remains were taken to Cheraw, S. C., Saturday and interred in the cemetery at that place. Quite a number of her friends accompanied the remains to Cheraw. The funeral services were conducted by Rev. A. M. Eurlison and T. A. Sikes.

Mrs. Emma C. Cowan, of Hamlet. Correspondence of The Observer. Hamlet, April 13.—Mrs. Emma C. Cowan, relict of the late Thomas Cowan, and one of the oldest citizens of Hamlet, died late Saturday afternoon of apoplexy. Her death was unexpected and a surprise to her friends, as there were but few that even knew that she had been sick at all until apprised of her death. She leaves one son, Mr. A. S. Cowan, who had been one of the leading merchants of the place until recently, when he sold out and moved to the road. For about forty years she had been a member of the Methodist Church, and until her health gave way a few years ago was one of its best workers. The funeral services were conducted from the Methodist church here yesterday afternoon at 4:30 by her pastor, Rev. T. A. Sikes, assisted by Revs. Messrs. Burselen and Pace, of the Baptist and Presbyterian churches, respectively, and was the largest attended funeral services ever held in the place, thus testifying to the high esteem in which the deceased was held by those who knew her and loved her. She was the most devoted mother that it has been the pleasure of this correspondent to know. Her devotion to her son and grandchildren, whom she had the care of since they were very small, was beautiful and they to-day are proud in darkness because the one that loved them is no more.

THOMASVILLE NEWS ITEMS.

New Electric Light Plant Running—Two Residences Destroyed by Fire—Dr. Peacock Called to Florida. Special to The Observer.

Thomasville, April 14.—The Thomasville Electric Light and Power Company now has its plant running. It is furnishing an all-night service and the lights and service are very satisfactory. The new plant is sufficient in size to furnish power for almost all the manufacturing plants in the town, and it is learned that a number will discard steam power and use electricity.

Early Sunday morning the news came here that the home of Mr. J. W. Bowers, with all its contents, was destroyed by fire about 1 o'clock Sunday morning. Mr. Bowers lives about four miles southwest from Thomasville. His loss is about \$2,000, with no insurance.

Mr. Eugene C. Lambeth, of the Lee Manufacturing Company, is spending ten days in New York City in the interest of his company. He will be back this week. Mrs. Lambeth was called home last week to the bedside of her mother, who was very sick and received that her mother is dead.

SCHOOL CLOSURE THIS MONTH.

Monroe Runs Out of Money and Regular Term Cannot Be Finished—Much Work in Two Years' Pastorate. Special to The Observer. Monroe, April 14.—Rev. C. A. G. Thomas will complete the second year of his pastorate at Monroe Baptist church next Sunday. During the two years the church debt has been reduced to \$1,000 and the membership has materially increased.

At a meeting of the board of education held yesterday afternoon it was decided to close the graded school on April 30th, except as to the tenth and eleventh grades, which will finish the regular term. Lack of funds necessitates the early closing, a large part of this year's school fund having gone to the installation of the steam-heating apparatus and to other improvements and repairs.

NO LOCATION YET SELECTED.

New Propositions Cause Orphanage Action Till the 29th. Special to The Observer. Salisbury, April 14.—The trustees of the orphanage which is to be established by the Western North Carolina Conference of the Methodist Church met here to-day to decide on a location for the institution, but no action in this respect was taken. This was owing to the fact that several new propositions were made, one being from Winston-Salem. The location committee, of which Mr. E. L. Rogers is chairman, was continued and will visit Winston-Salem and other places which may make propositions. The trustees will meet here again April 25th, when final action will be taken on a location. Propositions will be received until the 23d inst, but none submitted after that date will be considered.

MIL CRAIG IN WILKES.

A Crowded House Hears the Asheville Man, and He Makes a Fine Impression. Special to The Observer. North Wilkesboro, April 14.—Mr. Locke Craig, candidate for Governor, spoke here last night at the opera house to a large audience of the town and country. Some men who could not get seats were turned away. A large number of ladies was present.

The speaker was forcefully introduced by Mayor O. C. Daney. Mr. Craig started out calmly and afterwards shortly upon his own candidacy he sounded the principles of Democracy with a power, force and eloquence that has not been heard here for years. He emphasized the record of the party he had served and not himself, and in tones vibrating with feeling he spoke of political battles and settled issues of the past. As an aim to the year of the audience was the occasion of a striking hit by the speaker.

CLEAR THE COMPLEXION OVERNIGHT

PIMPLES, RASH, ERUPTIONS, ETC. QUICKLY ERADICATED BY NEW SKIN REMEDY. Since the discovery one year ago, possum, the new skin remedy, has, in its extraordinary accomplishments, exceeded the most sanguine expectations of the eminent specialist who gave it to the world. It has cured thousands of cases of eczema and eradicated facial and other disfigurements of years' standing. The terrible itching attending eczema is stopped with the first application, giving proof of its curative properties at the very outset.

In less serious skin affections, such as pimples, rash, herpes, blackheads, acne, barber's itch, etc., relief is noticeably improved by a single application. Those who use possum for these minor skin troubles can now avail themselves of the special 50-cent package, recently adopted to meet such needs. Both the 50-cent package and the regular \$1.00 package may be obtained in Charlotte at R. H. Jordan & Co.'s and other leading drug stores.
