S. S. S. CURES BLOOD POISON

CLEAR THE COMPLEXION OVERNIGHT

PIMPLES, RASH, ERUPTIONS, ETC. QUICKLY ELIMINATED BY NEW SKIN TREATMENT.

Since the discovery two years ago, position, the new skin remedy, has in its extraordinary, acrobatic and excessive the most sanguine expectations of the eminent specialist who gave it to the world. It has cured thousands of cases of eruptions and eruptions of face and other disfigurements of years' standing. The terrible itching attending eczema is stopped with the first application, giving proof of its curative properties at the very outset.

In less serious skin affections, such as pimples, rash, herpes, blackheads, acne, barber's itch, etc., results show after an overnight application, only a small quantity being required to effect a cure. A muddy or sallow complexion is noticeably improved by a single application. Those who use pomium for these minor skin troubles can now avail themselves of the special 2-cent package, recently adopted to meet such needs. Both the 5-cent package and the regular \$2 jar may now be obtained in Charlotte at R. H. Jordan & Co.'s and other leading drug stores.

Considerable experimental purposes may be had free of charge by writing direct to the Emergency Laboratories, 23 West Twenty-fifth street, New York City.
