NEW SKIN REMEDY

CREATES BIG STIR: DRUG STORES CROWDED WITH SUPPERS.

For several weeks past Jordan's and other leading drug stores in this city have been crowded with persons desiring a supply of poslam, the new cure for eczema. This is the "drug" which has created such a stir throughout the country since its discovery one year ago.

For the convenience of those who use poslam for pimples, blackheads, blotches, red nose, some herpes and other skin troubles, a special 50-cent package has been adopted, in addition to the regular two-dollar jar, which now on sale at all leading drug stores.

In eczema cases, poslam stops the itching with first application and proceeds to heal, curing chronic cases in two weeks. In minor skin troubles, results show after an overnight application. For true experimental sample, write direct to the Emergency Laboratories, 25 West Twenty-fifth street, New York City.
