HORNETS MADE THE ONLY EARNED RUN

Other Two of the Three Which Clicked the Game For the Locals Was Donated by Mercer, Who Pitched For the Visitors Up to the Middle of the Sixth.

It is a rather poor exhibition of the locals took the first from Bob Carter's aggregation yesterday afternoon by a score of 3 to 1, making the only earned run of the game by Snedden's triple to right field, followed by a beautiful bunt by Sharp on which he reached the first base.

Fulenwider was touched up for seven innings, two of which were doubtless, but he pitched his usual brilliant game, extracting himself from dangerous holes at times.

White struck out and the grandstand cheered Fulenwider. Lindsay hit an extreme fly to left field for a couple of bases. W. Hobbs lined out toward second which Newton grabbed sensationally and doubled on Lindsay at that base.

Newton drove in against the right field fence for a couple of bases. Fulenwider was touched up for seven innings, two of which were doubtless, but he pitched his usual brilliant game.

On an error of Woodward Foley connected at the first station and was sacrificed to second by Brennan. Collins hit a fly to center which he was out and Foley also at second.

On an error of the pitcher, Fulenwider was touched up for seven innings, two of which were doubtless, but he pitched his usual brilliant game.

White flew out to second. Lindsay hit safe to center field. W. Hobbs hit to Sharpe, who caught Lindsay at second. Carter hit safe as usual, but Woodward flew out to first.

Newton walked. Hinton bunted, advancing Newton to second, going out himself pitcher. Fulenwider was touched up for seven innings, two of which were doubtless, but he pitched his usual brilliant game.

McGill flew out to Noojin. Snedden hit to center field. W. Hobbs hit to Sharpe, who caught Lindsay at second. Carter hit safe as usual, but Woodward flew out to first.

White led off with a safe hit to left field. Lindsay flew out to Noojin. White struck out and went to third when Collins made a bad throw to second, which was augmented and the runner's safety made doubly sure by a bad throw of Hinton to third base.

WILLIAM FIRTH, PRES.

On a hard throw by Newton to Brennan, who "bumped" Hobbs ended it by grounding to Fulenwider to Brennan.

Three of the last five have been Charlotte's own. Fulenwider has blood in his eye for Winston, anyway.

Will Anderson never lose when Charlotte wins? She did Friday. There was hardly a kick yesterday, except growls on a few decisions on strikes and balls.

Umpire Shetter has jumped the league. They were making it pretty hot for him down here. Now let the knockers take a needed vacation for awhile and see if we can't climb that column a few.

If the dose should be repeated often the crowd would actually get back into its one-time yellowing form. It was a mean looking liner which Newton nabbed in the first, making a double play then by stepping on second.

That fellow Carter is little, but there was nothing small about his batting yesterday. Three clean ones out of four times up. If Charlotte should happen to take two to-day, her rating would be a hefty 414. If there's an even break it will be an even 400.

Hinton certainly contributed his part toward the gift of that run, but he did much toward starting that merry-go-round in the sixth. Noojin didn't fail to cover right field, either. If necessary, he could run to Pineville to gather in a fly under his wide stretching wing.

If Ty Cobb should be signed, and struck out the first time, as he probably would, many people would whisper that he was greatly over-estimated. That bunting business was well done yesterday and it worked to perfection. Mercer simply couldn't handle 'em, nor could anybody else, much.

"Fie" was a mad stab artist when Winston-Salem was presented with her single tally. The next balls came over the plate as from the mouth of a cannon. The ump's voice seemed to have gone back on him yesterday. The crowd did depend on his manual and digital signals for the strikes and balls.

The grandstand treated itself to a laugh when Mercer tossed a bunt safely home, expecting a squeeze play which did not happen, while the batter ambled safely to first. Eleven straight would put us square before the world with a cozy 500. The day of miracles being generally conceded to be past, however, 400 will look pretty good.

There were numerous kicks yesterday because there were not enough score-cards to supply the crowd. To a great many fans a game without a score card is like a circus without red lemonade. McLaughlin came out of the game as usual, cool as a cucumber and without a feather unrumpled. Whether you praise him or cuss him, it's all the same to him. He never lets up on that wad of terbacry.

ON THE RACE TRACK

Fair Play Again the Winner. Sheephead Bay, N. Y., July 6.—The spring meeting of the Coney Island Jockey Club came to a close to-day with the running of the Lawrence realization stakes, worth \$17,800 to the winner, which resulted in an easy victory for August Belmont's Fair Play with J. E. Madden's King James second and F. A. Forsythe's Dora third.

Wilmington, July 6.—Newbern disbanded at Newbern Saturday night late and a telegram was received by the Wilmington managers in time to stop their team before going over for their games at Newbern to-day. An effort was then made to get the Newbern orphans to come to Wilmington and play independently until they could be placed with some other town, but after securing their releases they scattered to the four winds of the earth and the game could not be had here.

Raleigh, July 6.—Kinston's hoodlum mob today and laid siege to a row. Raleigh played star ball and Dawson, Warren and Hoffman made three-base hits. Brandon pitched a fine game for Raleigh allowing only six hits and striking out ten men. High coach up Sullivan for twelve hits. The feature of the game was Warren's double play for Raleigh in the third inning when the bases were full and one man out. The game was marred by a fight in the ninth inning between Harris, of Raleigh, and Umpire Van Arman, which is greatly criticized. Harris having struck him.

Wilson 2; Goldsboro 0. Goldsboro, July 6.—Wilson won in a pitchers' battle here to-day by a score of 2 to 0. Moore, the first man up, walked. Wagner bunted a pop fly to the first baseman, who dropped it, allowing Moore and Wagner to land safely on first and second. Holt sacrificed; Miller went out on a fly to center. Moore scored on the throw. In the sixth Moore, first up, hits safely for two bases and while playing off the catcher throws to second, catching him between the bases. The second baseman threw to third and Moore ran into the third baseman, causing him to lose the ball, and Moore scored before he could recover the ball.

Macon, Ga., July 6.—Although Clark was hit freely to-day, his support was wretched, and the visitors' bats were unable to win. Lee's pitching was a feature. The Jacksonville team has not lost a game on Macon's diamond this season. Jackson, July 6.—Paine and Volk divided honors in a pitchers' battle to-day, each pitcher allowing two hits, two walks and each had six strikeouts to his credit. Charleston scored in the third on a base on balls, an infield out and Evans wild throw to second.

Columbia, S. C., July 6.—Paine and Volk divided honors in a pitchers' battle to-day, each pitcher allowing two hits, two walks and each had six strikeouts to his credit. Charleston scored in the third on a base on balls, an infield out and Evans wild throw to second.

Augusta 3; Savannah 2. Augusta, Ga., July 6.—Augusta won the first game on Savannah to-day by bunting a three-bagger of McMahon's, which scored Bierman and Coles following with a single. Mullin was steady throughout, and Sullivan pitched a good game, with the exception of bunched hits in the fourth. The game was steady and mappy. McMahon did some nice fielding and was fast on bases.

Wadesboro Defeats Camden on the Litter's Ground. Camden, S. C., July 6.—In a gameplete with sensational and spectacular features Wadesboro defeated Camden to-day by a score of 3 to 0. Neither team could put a man across the home plate until Wadesboro's half of the ninth inning, when three men reached the coveted goal. The main features were the ill-timed pitching of Eldridge for Wadesboro and southpaw for Camden, the superb fielding of Lowe in center garden and the hitting of Moore and Duncanson. Both teams gave their twirlers good backing.

Double-Header To-Day. The first double-header of the season in Charlotte will be played this afternoon between Charlotte and Winston-Salem. The first game will be called at 7 o'clock. The second will begin after a brief intermission following the close of the first. The price of admission for the two games combined will be the same as is customarily charged for one. This affords an opportunity which Charlotte will be sure to avail themselves of. Redders and Jackson, presumably, will be the twirlers for the Queen City.
