## EASTERN CAROLINA.

**THE CHANGE SUITS WILMINGTON.**

The Sailors Have Strengthened Their Team For the New Series and Believe They Can Get the Pennant This Time.

Special to The Observer.

Wilmington, July 8.—The Wilmington baseball enthusiasts are delighted with the turn of affairs in the Eastern Carolina League and declare that the league is now on a much sounder and more satisfactory basis than since the season began.

The Wilmington team is off this week, but is playing with the city league each afternoon to keep in form for the opening games of the new series with Goldsboro here to-morrow. Since the games Saturday the team has been considerably strengthened, a valuable acquisition being Sharpe, late captain and manager of the defunct Newbern team. Sharpe has already reported and is taking part in the practice games here this week.

Other players recently signed by the Wilmington manager are Fick Lyster, pitcher, and Billy Ross, catcher, of Philadelphia. They are expected to report later and Wilmington enters the second series confident of winning. The supporters of the game here will back the team for any amount of money and there can certainly be no complaint on Wilmington for attending to this season. In this respect she probably leads any two towns in the State and there is no abatement of interest with the recent flurry in league affairs.

**"King" Kelly Pitched and Hoffman Made Sensational Catch.**

Special to The Observer.

Raleigh, July 8.—"King" Kelly, the veteran pitcher, went into the box to-day and pitched star ball for Raleigh. Kinaton getting only 6 hits off his puzzling delivery. He has now played every position in the game and is taking part in the practice games here this week.

Other players recently signed by the Wilmington manager are Fick Lyster, pitcher, and Billy Ross, catcher, of Philadelphia. They are expected to report later and Wilmington enters the second series confident of winning.

**Wilson Delighted Over Winning the "Flag."**

Special to The Observer.

Wilmington, July 8.—The Wilson baseball fans are delighted over the fact that Wilson came out first in the series of the Eastern Carolina Baseball League, which was composed of six clubs. This town is also confident of winning the pennant at the close of the season, which will be played by only four towns, Wilmington, Raleigh, Goldsboro and Wilson.

**Goldsboro Wins by a Garrison Finish.**

Special to The Observer.

Goldsboro, July 8.—Goldsboro bunched hits in the ninth to-day and won from Wilson by a score of 7 to 6. Hart pitching a much better game than Thompson.

## BRENNEN'S TRIPLE WON IN THE NINTH

Charlotte Took the Fourth Game From Winston-Salem by a Score of 4 to 3, Making the Winning Run in the Ninth Inning With One Man Out—In Visitors' Half of the Ninth, White Doubled and Tied the Score—Lindsay's Batting the Feature—Hinton's Work at the Bat and in the Field Was Commendable—All Game With a Good Many Miscues, A Bay by the Locals. Costing Them Runs.

A single and a triple by Hinton and Brennen, respectively, in the ninth inning wrested the game from Winston-Salem yesterday afternoon, making an even break of the four games played here this week. The run-getting for the Hornets began in the sixth inning, when Drumm doubled to centre field, was sacrificed to third, and was followed by singles by Snedden and Sharpe. Both the latter scored on a long drive to centre by Hinton for two bases. All of the visitors' runs were made on errors, despite the fact that they secured ten safe hits off Drumm. He kept them so far apart that they made little difference on the score-board. Every miscue Charlotte made was costly.

The feature of the game was the batting of Lindsay, who secured four singles out of five times up, and the playing of Hinton, who both hit opportunely and fielded rapidly. There were no sensational elements to the game.

**FIRST INNING.**  
White hit a little one to Snedden, who miscued and allowed the runner to get to first. Lindsay singled. W. Hobbs hit to first and was out, the runners each advancing. Carter then singled to right field, scoring White. Lindsay was caught at the plate by a good throw by Noojin. Woodward fanned.

Noojin hit to third and went out at first. Snedden walked. Sharpe was out second to first and Newton by the same trap.

**SECOND TRAP.**  
Price flew out to third. Cox grounded out to short. L. Hobbs walked, but McGill was out on a grounder to first.

Hinton was out pitcher to first. Foley walked, but was caught off first and run down between the bases. Brennen flew out to Carter.

**THIRD INNING.**  
White singled beautifully between short and third and stole second. Lindsay hit down the first-base line and was easily out. White going to third. W. Hobbs was out Sherrill to third. Woodward struck out.

Sherrill hit to short and was out at first. Drumm went out on a fly to Carter, which left the bat with the label of a hit on it. Noojin flew out to third.

**FOURTH INNING.**  
Price struck out (fox singled in left field). L. Hobbs hit a fly to Noojin and Cox was doubled at first. Snedden fanned. Sharpe flew out to the catcher. Newton was hit on the foot and took his base. Hinton flew out to centre field.

McGill popped up to the catcher. White sent a little one up in the air which landed in Snedden's fingers. Lindsay hit safe to left field. W. Hobbs was out on a grounder to Sharpe.

Foley, Brennen and Sherrill popped up to the infield.

**SIXTH INNING.**  
Carter was out pitcher to first. Woodward singled to right. Price singled to centre. Cox hit to Newton, who made a double play with the assistance of Sharpe and Brennen.

Drumm led off in this inning with a double to right field. Noojin sacrificed him to third. Snedden singled by first base, scoring Drumm. Sharpe hit to W. Hobbs and was safe, because nobody was on the initial sack. Hinton hit to White, who fumbled, filling the bases. All this strategic time, Hinton drove a long one to centre field, which scored Snedden and Sharpe. Newton tried to make it, but was caught at the plate. Foley was out pitcher to first.

**SEVENTH INNING.**  
L. Hobbs, McGill and White all grounded out to the infield.

Brennen popped up to first. Sherrill flew up to right field and Drumm went out on a grounder to second.

**EIGHTH INNING.**  
Lindsay singled for the third time. W. Hobbs was out on a grounder to Sharpe. Lindsay going to third after having gone to second on Hinton's fumble of his single. Carter hit down the first-base line and was safe on Brennen's misjudgment. Lindsay scoring. Woodward went out on a fly to right field, which Hinton handled. Price grounded out short to first.

Noojin was out on a pop fly to short. Snedden went out pitcher to first. Sharpe walked, but Newton flew out to second.

**NINTH INNING.**  
Cox went out on a fly to Newton across the four line. L. Hobbs hit a fly to right field, which Noojin dropped after being bothered by Brennen. McGill went out on a fly to left field. White came up and after two men were out and two strikes had been called on him, drove one over Foley's head in left. B. Hobbs coming across the plate and tying the score.

Hinton was not to be outdone, so he sent a nice, clean single to left field, which Carter, in extreme eagerness, let get through his legs. Hinton going to second. Foley tried to bunt, but failed by allowing Hinton to be caught between second and third. He ran on to second while Hinton was being run down. Then Brennen came up with blood in his eye and drove one nearly against the right field fence.

**Help for Those Who Have Stomach Trouble.**

After doctoring for about twelve years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctors fees, I purchased my wife a box of Chamberlain's Stomach and Liver Tablets, which did me good that she continued to use them and they have done her more good than all of the medicine she had used.

## STINGS.

The rain Saturday hit the Carolina League hard, financially, and one who will no doubt be felt by every club in the league.

Saturday being the Glorious Fourth and the only holiday during the season, those looking after the financial side of the game had expected great things for that day and the coffers of every club in the league were expected to be replenished with the wherewithal. But the rain came and knocked these hopes into smithereens.

The managers of the several clubs, however, did the best they could under the circumstances, but all are determined to make up for the day that has been lost. The league, however, will probably pull through all right, as every town in the league is game and there is a determination all around that the league will remain intact—Winston Sentinel.

"Two weeks ago after a game in Greenville a gentleman approached me and asked me to sign a letter," said Umpire McLaughlin to-day. "I told him that I did not believe I had ever seen him before. He then told me his name was Major Hood, and that he was president of the Charlotte club in '86, '87 and '88. Major Hood had me as one of his pitchers. He sold me in '86 to the Philadelphia National club, Charlotte was then in the old Southern League and was called 'The Charlotte Club' by the Atlanta, Montgomery, New Orleans and Nashville. That was a fast league, too. Well, I went with him to Philadelphia, and he had his left arm in a cast. My arm got stiff then and I went out West. Later I was made umpire in the National League. There is one decision I made which was in '92, which made me well known in baseball circles. I was called upon to make a decision in a game between Washington and Brooklyn. There was no rule in the guide to govern such a case. However, after considerable talk in the baseball world then—Anderson Mail.
