BRIEFS

A Few Minor Happenings in and About the City.

The Charlotte baseball team carried 15 men to Winston-Salem yesterday morning. If there is strength in numbers, this may account, along with Edinburg's skill and luck, for the outcome of yesterday afternoon's game.

One of the most important meetings of the year in municipal circles will be that Thursday night of the board of water commissioners. A meeting of almost equal interest will be that the night following of the school commissioners.

Papers of incorporation were received yesterday for the Carolina Ice Machine Company, to manufacture machines for making ice. The authorized capital stock is \$25,000, with Messrs. C. L. Alexander, J. Reed Curry and S. D. Miles as incorporators.

Arrangements are perfected for the excursion to be run to-morrow to Asheville and Montreat by the congregation of Tenth Avenue Presbyterian church. The indications are that the trip will be made by an exceedingly large crowd who are anxious to take such an outing just now.

The train will leave here at 8 o'clock, stopping at stations between here and Statesville for passengers. The management has endeavored and believes it has succeeded in making such arrangements along the way and after reaching the destination as will result to the comfort of the excursionists.

Russie Crosby "Sent Up."

Russie Crosby, the negro woman who was arrested in the vicinity of "Oiltown" with several gallons of liquor, was bound over by the recorder on the charge of retailing yesterday morning. The court first fastened a similar sentence of imprisonment on Broom, but this was commuted. The woman had an attack of hysteria as she was led off to her cell.
