STINGS.

The Drumm is yet to be reckoned with. Anderson changed to make one run this week.

There are only six more games on the home grounds.

Don't forget the matinee over the Gem Dining Room this afternoon at 2:30.

Unless Winston gets a bump on its-elf, Charlotte will make a bid for the fourth notch.

Pity is expressed for the umpire that tries to officiate for Spartanburg when Greenville is tackled next week.

Temple, the crack pitcher of the Chester club, will join Greenville Saturday and will probably pitch the game that day against Charlotte.

The Greenville boys have no hesitation in declaring that the Charlotte pitchers as a whole are better than any others in the league.

It was so kind of those Spartanburg papers to declare that the Charlotte team was better than Greenville's as at present constituted.

As long as the subject has been precipitated by the immaculate sports of Spartanburg, what do you think that double-header at Winston favor?

It is believed that Columbia, of the South Atlantic League, will be in this association next year; view of the bad state of the financial affairs of the club now.

We thought once that the people of Greenville got behind the team and demanded that a bluff be made for that pennant, but it really looks now as if they might be meaning to take the old thing.

Spartanburg has enjoyed a feast at Winston, but bets are even that Greenville will give them a race for the money the last three days of this week. That will be one of the decisive series.

THREE STRAIGHTS FOR THE PATRIOTS

Special to The Observer. Greensboro, July 29.—Notwithstanding it rained during the early part of the afternoon, Greensboro and Anderson played the best game of the series to-day. The score was 2 to 1 in favor of Greensboro, but Anderson gave the locals a run for their money.

Cogswell won the game for the Patriots by knocking the ball over rightfield fence for a home run in the fourth inning and by making a two-base hit in the sixth inning, bringing in Doak.

Schmick pitched a beautiful game and had the Greensboro batters guessing much of the time. Bertrand was wild in the beginning, but settled down as the game progressed. Reggy was the star player of the day. He took in everything that came near short and safe hit every time he was at the bat.

Score: R H E Greensboro 000 101 005-2 7 0 Anderson 000 001 000-1 7 1

Batteries: Volz and Cote; Reagan and Carson. Time, 1:50. Umpire, Truby.

Only Four Innings at Macon. Macon, Ga., July 29.—Although to-day's game was begun an hour ahead of the usual time, it was called at the end of the first half of the fourth inning when the locals were in the lead, to allow the Savannah team to catch a train for Columbia. There were many protests from the spectators.

Score: R H E Savannah 000 0-0 3 0 Macon 000 000 000-0 3 0

Batteries: Mullin and Kahloft; Stowers and Robinson. Time 40 minutes. Umpire, Buckley.

MUSICIANS MAKE A CLEAN SWEEP

Special to The Observer. Winston-Salem, July 29.—The Twins had long has not yet changed a particle; they are still playing a losing game. They were defeated by the Musicians this afternoon by a score of 4 to 2. This gives the visitors the entire series. The game this afternoon was far less interesting than would be supposed from the score. Carter, catch in center field was the feature of the game. He turned a complete summersault but still held to the ball.

NO GROUND FOR A KICK

Captain and Manager of the Wadesboro Baseball Team Say Umpiring in Monday's Game Was Fair and They Refute Assertions to the Contrary.

To the Editor of The Observer: We regret very much to note in to-day's Observer the erroneous publication taken by Messrs. Bundy and Hasty in regard to their defeat here Monday.

We would ignore the matter as it deserves, but in justice to Mr. Dunlap and the people of Wadesboro, we think that such willful misrepresentation should be refuted.

The Monroe team was composed of picked players of the State and when the home team began pounding the "Mighty" Bob Gant, instead of taking their medicine like men, to uphold the reputation of his pitcher, the captain called his men off the field.

There was no kick and clearly the kick was a subterfuge. Manager Bundy and Mr. Mallery, the catcher, both admitted that we had beat them fair. With the exception of one of Monroe's players, every one conceded that we were better above criticism, and in justice to Mr. Dunlap, we decided to use him the following day.

When the Monroe team left, refusing to play the second game, the contract was broken and we were under no obligation to fulfill our part of the agreement. We are surprised to see that Messrs. Bundy and Hasty mentioned the treatment that we received at Monroe on the 4th. We at least staged the game out and survived the embarrassment.

We have used Dunlap several times before and never was there a kick on him. In regard to his being fired, we will say that he resigned his position as umpire, as every man in the Eastern Carolina League has done within the last few days.

There was positively no grounds for any kick on Dunlap.

ON THE RACE TRACK

Hard-Fought Contest at Detroit. Detroit, Mich., July 29.—With three of the six starters winning heats, fully 1,000 people were present and the race was one of the hardest fought since the institution of the event in 1889.

Spanish Queen, owned by George E. Underwood, of Denver, won first money, although the old-fashioned system would probably have given the honor to Alceste, driven by Geers.

Next best Spanish Queen, followed by Fleming Boy, a strong favorite, selling nearly even with the field. Fleming Boy led all the way in the first heat, making an easy winner. Next best Spanish Queen, followed by Fleming Boy, at the three-quarters, coming so fast that she broke and gave the heat to the Denver mare. The third heat was a repetition of the first.

Fleming Boy showed the way in the fourth, breaking again in the stretch, and this time when Spanish Queen came by she was attended by a crowd which was half a long way.

Spanish Queen took the lead at the half in the fifth heat and again in the stretch Alceste rushed up and beat her in the last few yards.

Spanish Queen, standing first in the summary, took first money and Alceste second. Summary:

2:15 pace, purse \$1,000. Arthur J. second and Miss Castle third. Best time 2:07 3/4.

Merchants and manufacture's stake, \$10,000, 2:24 trot; Fleming Boy first, Alceste second, Spanish Queen third. Best time 2:07 1/4.

2:10 trot, purse \$1,000; Hamburg Belle won first and third heats and race; Sterling McKinney won second heat; Susie N. third. Best time 2:05 1/4.

2:09 pace, purse \$1,000; Red Row won in straight heats, Arrowwood second, Charley Hal third. Best time 2:04 1/4.

Brighton Beach Summaries.

Brighton Beach, N. Y., July 29.—The Brighton Beach meet came to a close today, but the racing has been good. The feature of the closing day was the Great Handicap at one mile, which resulted in an easy victory for Araxee, who stepped the mile in the fast time of 1:53 1/2.

Araxee, who went to the front gradually from the half-mile pole to the finish gradually increased his advantage, and won by six lengths. Big Chief was unable to follow the pace but was an easy second, with Commodore third. The being unable to follow tomorrow for a 15 days meeting. Summary:

First race, handicap, 2-year-olds and up, 6 furlongs: Tom McGrath, 3 to 1; won; Nimbus, 3 to 1, place, second; Salvatrice, 2 to 1, show, third. Time, 1:12 1/2.

Lamberton Wins, But Game is Protested.

Special to The Observer. Clarkton, July 29.—Lamberton won in a fast game of ball here this afternoon by the score of 2 to 1. The game was protested at the day's end because of an agreement between the captains and umpire not to score a run made by Clarkton until a league manager had been decided by a league manager.

Batteries: Lamberton—Powell and Pope; for Clarkton—Smith and Wooten. It was a pitchers' battle until the last man was out. All the men on both sides played good ball. Wooten's catching was a feature for Clarkton.

Very Likely. Durham Herald. The influence that The Charlotte Observer will exert in Mr. Bryan's behalf, is heartily desired though it may be, will be as great as that of any other of his foot friends.

Boy's Life Saved. My little boy, four years old, had a severe attack of dysentery. We had two physicians; both of them gave him up. I then tried Dr. King's New Discovery, which cured him and believe that saved his life. I would not be satisfied until I had the lives of many children saved. Give it with care by all according to the printed directions and a cure is certain. For sale by R. H. Jordan & Co.

CHATHAM COUNTY POLITICS.

Democratic Primaries August 1st Will End One of the Hottest Fights of Years Many Candidates in the Field and All Expect to Win—The Republican Primaries August 8th. Special to The Observer.

Siler City, July 29.—The Democratic primaries of Chatham county will be held Saturday, August 1st, and the county convention, Tuesday, August 4th. This will end the hottest fight in the Democratic party that has been waged for years. It is doubtful if there ever has been so much work done by candidates as has been done in this campaign. Every place on the ticket has two or more aspirants who have made a hard fight for the nomination. Hundreds and thousands of letters have been sent out over the county to the voters, urging them to support this or that favorite son and the contest has been fierce. There has not been a great deal of bitterness injected into the fight. For the Legislature there are two candidates, R. H. Hayes, of Pittsboro, and M. J. Boling, of Siler City. Mr. Hayes is a leading lawyer of the county and is elected to the Legislature will be a candidate for Speaker of the House. Mr. Boling is a business man, at present secretary of the High Point Bending and Chair Company, located at this place. Mr. Boling has made a pretty thorough canvass of the county and is confident that he will land the nomination. This is Mr. Boling's first experience in practical politics and after the primary Saturday he may not be so hopeful. Mr. Hayes is an old campaigner and knows all the ropes. He has his hand upon the party machinery and knows how to operate the "steam roller." His friends say that he will win hands down, but they may be disappointed. For sheriff there are five possible candidates, O. A. Hanner, G. W. Perry, J. W. Womble, R. L. Edwards and E. M. Ferrington, and it is said that the present sheriff, J. R. Milliken, is hoping that by a combination of circumstances the nomination will fall to him again. At present it seems that the fight is between O. A. Hanner and G. W. Perry. A few weeks ago Mr. Hanner undoubtedly had the advantage but present Mr. Perry appears to be making gains. The friends of Mr. Hanner feel that they have a right to demand his nomination. He is a man of unquestioned ability, an ex-Confederate soldier and whose party broke and gave the heat to the Denver mare. The third heat was a repetition of the first.

Fleming Boy showed the way in the fourth, breaking again in the stretch, and this time when Spanish Queen came by she was attended by a crowd which was half a long way.
