Raleigh, July 30. The combination of a jealous negro, gun and a dead woman was sensation here to-day. At 12:30 o'clock Simon Lovejoy, very black and aged about 40, who has been a hardworking fellow and who for the past nine years has consorted with Annie Martin, a negress aged 25, and who has a son about half her age, went to the woman's house, quarreled with her about another lover and then shot her, using a repeating rifle, in which he had only one cartridge. The bullet took effect in her head, making a most horrible wound, and as soon as he saw his victim dying, the murderer dashed out of the house and made a run for the country. George Lane, a well-known negro in east Raleigh, saw Lovejoy running and heard the shot and he raised the hue and cry. He and other negroes pur-sued and the man was chased through a truck farm, where he threw away his gun, presently getting rid of his coat and he was next seen in the pond in the old granite quarry. The quarry was surrounded. Lovejoy was in the water up to his neck. He was forced to come out by his cap-tors, who besides Lane were Ernest Riddick, Alexander Atwater and Willlam Walton, and those brought him in a hurry to the court house, fol-

lowed by a great number of other negroes, feeling being pretty high against Lovejoy. On arrival at the court, house the murderer was instantly taken before Justice Harry Roberts, who committed him without ball and in a few minutes he was in jail. Two men killed and nine wounded. some of them fatally, is the record of the clash between the mob bent upon lynching Leander Shaw, a negro. and the sheriff and his forces in which the mob finally overpowered the authorities. The lynching was carried out in the most prominent part of this city.

ATTACK ON THE JAIL.

Shaw yesterday assaulted Mrs. Lilllan Davis, a highly-respected lady, near this city, during the absence of her husband, and after cutting her throat, almost from ear to ear, clubhed her over the head with a revolver which he had taken from the house, During the afternoon when it became known that the negre had been arrested crowds began forming upon the streets and early in the night they were reinforced by large numbers of men from the country. The mob formed about 8 o'clock last night and made an attack on the county where the negro was confined. The jail gate was broken down by mob and the sheriff and his deputica opened fire.

THE MOB REPULSED.

Three men dropped from the first volley of the sheriff's fire. Volley after volley was then fired by the mob and the sheriff's force but the mob was repulsed. About midnight another attack was

#### WANTS NEGRO DISFRANCHISED.

West Virginia Democratic Convention Along With a Jim Crow Plank-Louis Bennett the Gubernatorial Nomince.

Charleston, W. Va., July 30.-After nominating Louis Bennett, of Lewis county, for Governor on the first ballot just before dawn this morning, the Democratic State convention recessed and met again at 11 o'clock this morning to complete nominations.

After adopting the so-called "Jim Crow" plank and a negro disfranchisement plank the convention adjourned until 6 to-night. These planks are an addition to the platform adopted last night.

While the negro disfranchisement plank adopted by the convention states that the giving of the electoral franchise to the negro race was a mistake, it "favors amending the constitution so as to preserve the purity of the ballot from evils resulting from conferring such powers and privileges upon those who are unfit to appreciate its importance."

The plank adopted by the convention gives no indication how such disfranchisement may be effected. Adam B. Littlepage, of Kanawha, counsel for the United Mine Workers, and a candidate for Governor, was nominated by acclamation for Secretary of State

I. B. Bush, of Summers county, was nominated for superintendent of free schools on the first ballot.
