Market Reports

COTTON MARKET.

New York, Aug. 3.—The cotton market was more active to-day with the bull leaders showing greater aggressiveness and the close steady at a decline of 2 points on August, but generally 6 to 11 points net higher. Seles were estimated at 125,000 bales. As market opened steady at a decline of 2 points to an advance of 7 points and shortly after the call the new crop positions worked up to a net gain of 7 to 11 points on Wall Street support and a scattering decline of 1,000; sales 13,800; stock 68,— Street support and a scattering de- gross receipts 1,000; sales 13,800; stock 65,treet support and a scattering detalk of too much rain in eastern and receipts 26. central sections of the belt. The liberal estimate for to-morrow's receipts stock 1,412.
in the Southwest checked the buying Total to-day, at all ports, net 2,541; Gt movement and during the middle of Britain 100; stock 208,488. the morning, prices reacted under Consolidat realizing and liquidation particularly Britain 100. That position sold 10 points net lower, but the later months barely touched Mexico 1,549. the closing figures of last Saturday and during the afternoon the whole list firmed up with bull support consider-ably in evidence, particularly during the last half hour when local bears made quite a marked attack on the list, without, however, securing a rethan 2 or best. more points from Detailed weather reports show-

ed considerable precipitation in the Vicksburg, Mobile and New Orleans sections but otherwise were considered generally favorable, and most of the crop news was bearish. Southern spot markets officially reported were unchanged to 1-8c. lower.

Liverpool will re-open for business to-morrow morning. Receipts at the ports to-day 2,541

bales, against 4.763 last week and 1 .-\$29 last year. For the week 25,000 against 26,355 last week, and 7,440 last year. To-day's receipts at New Orleans 126 against 152 last year, and at Houston 1,056 against 205 last

STOCK MARKET.

New York, Aug. 3 .- Leaders of a stock market movement rely more on a Monday market to show how much response to their leadership has been attracted from the world outside of Wall Street than on any other index. \$14.50 to \$15.5); beef fams \$28 to \$30; city The explanation is found in the proneness of the man of affairs to begin new week, or with the beginning of some similarly defined period. Many important commission houses send out at the end of the week reviews of the prosundertakings with the opening of the market, and forecasts of the prospects that are more detailed and elaborate than the daily information sent out. As a consequence, Monday morning often finds an accumulation of orders in comprission houses for of orders in commission houses for coffee futures closed steady, net de execution that represent a new phase cline of 5 to 19 points. Spot quiet; Ri in the market.
