## Market Reports

## COTTON MARKET.

New York, Aug. 5 .- The feature in to-day's cotton market was selling credited to the bull clique, but while the market was nervous and unsettied, last prices showed no severe losses on the active months, and the closing tone was steady, net 20 points lower on August but only 2 to 5 points lower on October and later positions. Sales for the day were estimated at 125,000 bales,

The market opened steady at a decline of 1 to 6 points in response to rather disappointing Liverpool cables and a good weather map, with the Philadelphia, tone quiet; middling 10.75; gross receipts 204. possible exceptions of continued rains stock 1.44%. in the Memphis district, which is Total to-day, at all ports, net 3,386; Gt. complaining of excessive moisture. Britain 190; continent 106; stock 205,771. There was a moderate demand from were 8 to 11 points net lower. The Mexico 1,549. bulls seemed willing to sell between 9.52 and 9.60 for October, but the deoline was checked during the afternoon by the demand from shorts and in the late trading January and March sold at the highest prices of the day, receipts 37; gross receipts 37; shipments while October and December railled 250; sales 8; stock 12.839.

Memphis, tone steady; 6 points from the lowest. Nearer poeasy. Private crop news is more con-ments 502; sales 225; stock 20,056. flicting than of late, but continues of a bearish average and trade condi-tions show little immediate improve-270, sales 550; stock 13,218.

the day aggregated about \$0,000 bales, and it is generally supposed that the prices secured showed a moderate Receipts at the ports to-day 3,986 against 3,382 last week and 1,586 last year. For the week 25,000 bales, against 26,355 last week, and 7,440 last year. To-day's receipts at New Orleans 415 against 871 last year, and sales were 255 bales on the spot and 90

### STOCK MARKET.

to-day by the disquieting buoyancy of the and the result was a still further decline advance in stocks was hampered again wheat market.

The financial district has not relinquish-The financial district has not relinquish-ed its comfortable faith that prosperous and the closing was near the lowest, with crops for the year are already assured.
Drouth and high temperatures of the last few days, however, have not been without disturbing effect, coming at a period recognized as critical for the spring wheat crop. Private experts in the employ of spaculative houses both to grate ploy of speculative houses both in grain and in stocks have added the burden of alarming reports to the extent of the hazm done to spring wheat by rust. These to-day's financial markets.

lished on Friday is awaited with more net higher and within quarter of a cent than usual interest. Among the factors of the top. September 104%; December making for restraint, besides the wheat 107; May 110. damage reports, were the preparations making by the inter-State commerce activity by the Department of Justice in seeking evidence to prosecute the suit against the Harriman railroad merger firm \$9.70 to \$9.80; refined steady. factor as it shall develop.

Ronds were strong; total U. S. 3s registered advanced 1/2 and the 4s registered 4 per cent, in the bid price.
Total sales of stocks to-day 778,800
Shares, including: «Copper 36,200; Sugar adecline of 5 to 10 points. Spot quiet;
