

COTTON MARKET.

New York, Aug. 7.-New high rec-ords for the bull movement were made in cotton again during to-day's trading, although the buil leaders were at no time aggressive buyers. The market closed steady at a net adance of 25 points on August, and of

8 to 10 points on later positions. Busi-ness was a little more active than yesterday, sales being estimated at 150,-000 bales. The market opened steady at an advance of 2 a 7 polats in response to better cables than expected. Private advices said that New York buils had bought in Liverpool, but there was no sign of support from this

source at the opening here and during the first few minutes the market eased off 3 or 4 points from the best under bearish pressure and realizing. Offerings were not heavy, however, and before the end of the first hour a buying movement set in, seemingly

for both accounts. Stop loss orders were caught and before the advance was checked October sold at 9.88. A

was not accompanied by any weaken-ing of the undertone, and later the market ruled very firm and nervous owing to covering with October selling up to 9.85, or 17 points net higher, while August touched 10.19, or 28 points net higher on a few purchases by a local spot interest. The close was off from the best under realizing. Southern spot markets officially reported were generally unchanged. Weather conditions continued favorable in the main while somewhat con-
