

EFIRD'S TO BEGIN MAKING ROOM FOR Auction Goods Monday

Our Buyer returned yesterday from New York, where Wednesday, Thursday and Friday, of this week, he attended the Greatest Auction Sale ever held. Twenty-five thousand cases Blankets, Domets, and Canton Flannels were sold. He got in on some good size lots of these, which will be shipped in the next week or ten days. During this time we must make room.

N. B. When these goods come in they will be advertized alone. None of our regular stock goods will be advertised as goods from the Auction.
