NOTES FOR CONSOLIDATION

SYNOD IN FAVOR OF ONE PAPER

Presbyterians Join in General Movement For One Publication For Southern Church—Red Springs Chosen as Next Meeting Place—Report of Barium Orphan Home Made and \$10,000 Annual Appropriation Assured—Following Special Session It is Decided That Home Mission Work Will Be Conducted as at Present—President of Davidson Addressed Assembly on Christian Education.

THE CHAPEL HILL CHURCH

At 10 o'clock to-day, in keeping with the special order for that hour, Dr. C. Alphonso Smith, of the University faculty, addressed the Synod with reference to the Presbyterian church at Chapel Hill. He stated that at present there are 138 Presbyterians in the student body of the University and gave an interesting history of the church there. He asked that Synod pledge itself to meet the \$495 now due on the pastor's salary there and that the body pledge further \$750 annually on that salary, saying that the congregation at Chapel Hill will continue to pay \$200 each year on the salary. He spoke in the highest terms of the work of Rev. LeRoy Graham, the present pastor. This matter was referred to a committee at Chapel Hill with Rev. J. S. Wells as chairman, to consider and report on to Synod.

REPORTS ON HOME MISSIONS

The moderator submitted the report of the ad interim committee on home missions and during this time Rev. E. R. Leburn occupied the moderator's chair. This committee reported that during the coming year Synod raised \$12,000 for evangelistic work, this amount to be apportioned to the eight Presbyteries, Mecklenburg Presbytery to raise \$2,100 of the amount. The report also recommended that the evangelistic work be conducted by contract with the eight Presbyteries. Rev. H. G. Hill submitted the report of Synod's committee on home missions, which recommended that the evangelistic work and sustentation be conducted by contract with the eight Presbyteries, recommending the matter of sustentation to the Presbyteries.

BARON SMOTHERED TO DEATH

The special order for 11:45 was the hearing of the report of the board of regents of the orphan home. This report was submitted by Rev. H. G. Hill, and among other things recommended that Synod appropriate \$10,000 for the support of the home and that Rev. W. B. Smith be elected an honorary member of the board for life. The work of the new superintendent, Rev. John W. Wakefield, was highly commended. The report was followed by an earnest address by Rev. W. B. Smith, in behalf of the interest of the home.

RESOLUTION TO CONSOLIDATE

The Synod in general session, in resolution, adopted the following resolution concerning the consolidation of the Presbyterian Standard and other papers: The Synod of North Carolina most heartily commends the proposed consolidation of the Presbyterian Standard and certain other papers, provided that in the judgment of the directors of The Standard, it can be done without injury to the interests of the church in the Synod.

NO DIVISION IN MISSION WORK

The special order which followed was the consideration of the unsubmitted business embraced in the report of the ad interim committee on synodical home missions and the report of Synod's committee on home missions. Rev. J. M. Wells spoke in favor of the consolidation of the Standard and emphasized strongly the recommendation of the report that the matter of sustentation be referred to the Presbyteries. Rev. J. S. Wells also spoke in favor of the consolidation of the Standard and emphasized strongly the recommendation of the report that the matter of sustentation be referred to the Presbyteries.
