The Governor said: The proof which has thus far developed is positive as to the guilt of some of the men under arrest and imlicates many others. This be presented to the court at the proper time and a long step has been taken to discover and suppress lawleasness in this region. Conditions have been extremely bad, the night-

JUDGE TAPTS RELIGION.

An Opinion That His Election Would Be a Calamity. Reprinted by Request, and with Re-Juctance, from The Gospel Rescue Journal, of Chicago;

Shall the Christian honor of this great nation be trailed in the dust for four long years by the election of William Taft, a pronounced Unitarian, as President of the United States of America?

If such a calamity is to come to our American people, whall it be by the consent of the ballot of the Christian Church? Shall such a dark cloud of blackness and darkness settle down upon our Christian homes, our wives and little ones without an awful protest from the Christian pulpit, the Christian press and the Christian public? What would our Puridelity at the head of the nation? What will Jesus thing of you, Christian voter, if you fail to offer a mighty protest against it? How can you ever again say that you love and honor Jesus after you have supported a party and a ticket headed by a man who repudiates Jesus Christ as the Son of God?

I have never been a Democrat and withdrew from the rum-soaked polibeautifully decorated with flowers and tics of this country more than twenty warfed trees which had been trained in years ago, but I should much rather fantastic shapes to represent flower boats, see William J. There were also cases growing out of the same trouble before 'Squire W. McD. Evans and Justice Furlong, but after numerous conferences between the litigants and their attorneys, Messrs. Recess Taken Until After Election, When Will Graham Will Be Tried. Concord Tribune.

At the re-convening of court the first case to be disposed of will be that of the trial of Will Graham, the negro charged with assault. This case is the most important of any that has been tried in Cabarrus courts for years, and much interest is felt in the matter.

In order to protect the negro from mob violence, in case any such is undertaken, Captain Brown of Company L, the Concord company, has been notified to have his men in readiness at the call of Sheriff Harris, who will press them into service in case they are needed. RICH AND POOR ALIKE

A Case Where it is a Difficult Matter to Make a Choice Between the Lot of Either—Where Clauses Meet on the Same Footing.

We live to cat, and cat to live, and strange as it may seem here is one ground upon which both rich and poor meet: one trying to obtain an appetite, and the other trying to satisfy a healthy one, which is generally kept in a healthy state by the very efforts that he makes to satisfy his appetite. If the average man were given his choice of the two, he would wisely choose the lot of the workingman with a busy appetite, and an occasional chance of satisfying it, than that of the rich dyspeptic and victim of chronic indigestion. We live to cat, and eat to live, and

victim of chronic indigestion.
Unfortunately, indigestion is not confined to any one class. Stomach troubles, which result in a form of starvation, are the most prevalent of all forms of disease, and one to which the efforts of medical science has been directed for years. Many sup-posed aids to digestion and dyspepsia remedies have resulted from efforts, but by tar the most meri-torious and dependable remedy that has yet been found is Plant Juice, the famous preparation with which the name of Col. Frank A. Dillingham is identified throughout the country. In years that this remedy has been used as a cure for disorders of the stomach, there have been thousands of cases reported in which it has accomplished its purpose, and there is yet to be developed a case of stomach trouble in which Plant Juice has failed to do all that is claimed for it: in fact, its merit is so well established that every bottle sold is with the understanding that with the understanding that the money will be refunded if it fails to do all that is claimed for it, after a week's trial, and upon the presenta tion of the unused portion of the
