SAVANNAH ENTRIES CLOSE

Four Nationalities to Be Represented at the Automobile Tournament Thanksgiving Day—Valuable Prizes at Stake.

New York, Nov. 2.—The entries for the 60-mile international grand prize race of the Automobile Club of America, which is to be run on Thanksgiving Day at Savannah, closed today with the submission of sixteen cars representing four nationalities. The race, which is to be for a gold trophy of the value of \$5,000 and additional cash prizes aggregating \$8,000 to drivers, will bring together the flower and pick of the famous drivers of Europe and America. Fifteen cars will start the circuit, guarded by five regiments of militia, are to be covered.

The day before the big race, nineteen small cars of low power are to compete in a light car or variety race over 200 miles of the circuit. The entries in this class, which also closed today, consist of one French, two Italian and sixteen American cars.

The entries for the grand prize race are as follows:

Nationality	Driver
America	Cyrus Patashnik
America	Harry Michener
America	F. M. Seymour
America	Emile Strocher
America	Yvonne Eclair
Italy	Felice Nazzari
Italy	Louis Wagner
Italy	Ralph de Palma
Italy	Henri Fourrier
Italy	Alexander Cagno
Italy	Oliviero Piacenza
France	Lucien Hautvast
France	Victor Rigal
France	Arthur Duray
France	Francisco Sime
France	Georges Strang
Germany	Victor Hemery
Germany	Rene Harriot
Germany	Fritz Erlie

In addition to these, there is said to be a likelihood of a Mercedes being entered by Paulhan Keeney, the well-known amateur sportsman, and also a third Renault which George Robertson, the winner of this year's Vanderbilt cup, would drive.

An American E. L. M. and a French Panchard are also mentioned as possible starters, but the likelihood of their participating is considered slight.

BIG SWIMMING TROPHY.

W. L. Bratton, Donator a Challenge Cup For Back-Stroke Swimmers.

New York, Nov. 2.—Advocates of utility swimming have come to the fore with donations of trophies that promise to do a lot toward the promotion of interest in the various branches of life saving.

W. L. Bratton, whose frequent offerings have won for him the name of "The Swimmer's Santa Claus," has again placed the sport under obligations to him by requesting the New York Athletic Club to accept the guardianship of a new swimming challenge cup, to be competed for during the season of 1908-1909. This will give the back-stroke plenty of inducement for the trophy put up in 1907, which has to be won twice before becoming an outright property, is still in the list, and if Daniels and Huber each have one leg on it, any one else has a chance of taking the next coveted and valuable trophy.

With the latest addition to the plate, it is likely that all the indoor meets will have a back-stroke race on the programme. Mr. Bratton believes that this style of swimming is too necessary to be neglected, and he is doing all in his power to make it popular.

The trophy will be presented by the American Life Saving Society, whose efforts in behalf of long-distance swimming met with such brilliant success during the past summer. President Bratton is confident that his society intends to promote life saving among amateurs by offering a cup for a life-saving contest. Particulars have not been arranged yet, and it is not yet decided whether the trophy will be taken in what pool the race will take place, but it is likely that the rules governing the King's Cup rescue race in England will be followed in this case.

ENGINEER GILL SHOT.

Young Machinist Wounded Scabarded in Three Places, But Serious Results Are Not Anticipated—Exact Cause of Shooting Not Known.

Observer Bureau, 1110 Berkeley Building, Columbia, S. C., Nov. 2.

Miles Winters, a young machinist at the Seaboard shops, at an early hour this morning shot and painfully, though not seriously, wounded George Gill, an engineer employed by the same railroad company. Gill was immediately taken to the Columbia hospital, where medical attention was given him. He was wounded in three places—in the mouth, in the left arm and the left knee. The shooting was done with a pistol and, though Gill suffered considerably, the attending physicians think recovery is certain. Gill's wounds resulted, Winters was arrested and confined in a cell in the city police station.

The origin of the difficulty seems difficult to ascertain, as Winters declines to say anything for publication. One story is to the effect that Gill was delayed in making a train schedule and that he claimed the engine which Winters was operating worked over prior to the run. It is said that he made a report in which he called the matter to the attention of his railroad superiors, who in turn asked Winters for an explanation. It appears that this morning the two men met for the first time since the report was made and the shooting occurred.

Miles Winters is an unmarried man and resides at 1815 Taylor street. Gill, the wounded man, is also residing in Columbia, living at 1105 E. Grand street. He operated a passenger train running from Columbia to Raleigh, N. C.

Observer Bureau, 40 N. Main Street, Salisbury, Nov. 2.

Mr. John D. Lambing was seriously injured yesterday afternoon when a horse ran away and took up the buggy in which he and his wife were riding. She was badly thrown off and her escape from more serious injury was rather remarkable.

Her place is being filled temporarily by Miss Sadie Davis. Miss Harris refused to take a position in the county of the North Carolina. She has been given a leave of absence and will be greatly missed.

Republicans Hope for Only Small Majority in Wyoming.

Cheyenne, Wyo., Nov. 2.—Republican forecasts indicate that Taft will carry Wyoming by 5,000, a reduction of over one-half from Roosevelt's majority four years ago. The Democratic leaders are hopeful that the Republican defection will prove sufficient to give the State to Bryan.

Maryland a Battleground.

Baltimore, Md., Nov. 2.—Perhaps the feature of the local situation on the eve of election is the effect of the new corrupt practices act, which is in force for the first time at this election. Both sides claim the State for Bryan, but the conservative of both parties deem extreme.

Oklahoma Expects Big Democratic Majority.

Guthrie, Okla., Nov. 2.—The promise of good weather is expected to bring out a total vote of between 255,000 and 260,000 in the new State. Democrats adhere to their claim of 40,000 for Bryan, and feel sure of the Legislature, while the Republicans claim both the State and Congress.

this county was held at Union chapel to-day. There was a large attendance, composed of many influential Croats as well as white people. Speeches were made by Hon. G. B. Patterson and Messrs. J. A. Battle Royal Will Be That in Buncombe.

Special to The Observer.

Asheville, Nov. 2.—On the eve of the political battle Buncombe county and the surrounding territory appears to be in splendid fighting trim. County Chairman D. E. Sevier says that there is no question but that Buncombe will give an increased Democratic majority, while Chairman Lee, of the congressional committee, predicts that the Democratic ticket will not only be elected but that his election to-morrow will be by a larger vote. The Republicans, however, are fighting desperately and will give the Democrats in the county and district a hard royal at the polls to-morrow.

Republican Plunge in Capital City.

Observer Bureau, 421 N. Main street, Raleigh, Nov. 2.

Col. Walter R. Henry was the star at the Republican rally at the Academy of Music to-night but he was so hoarse as to be nearly voiceless. Postmaster Charles W. Sevier, candidate for Senate made a statement regarding Wake's vote which drew great laughter from the Democrats present. He said the Democrats were having a hard row in Wake to-morrow. He really believes his own absurd statement.

Mr. Murphy Addresses His Home People.

Observer Bureau, 421 N. Main street, Salisbury, Nov. 2.

Mr. Walter Murphy, Democratic elector-at-large, spoke to a great crowd at the court house to-night. Fayetteville Has Grand Rally.

Special to The Observer.

THE WIND-UP IN M'DOWELL.

Democrats and Republicans Have Fought Hard at Marion—Chief Fight on Correspondence of The Observer.

Marion, Nov. 1.—Yesterday and last night closed the campaign in this county for both sides and marks the winding up of the hottest fight in a political campaign ever known in this county. Both sides had a big rally to-night, the Republicans in the court house and the Democrats in the opera house. The Republicans had W. W. Rollins and Mark Brown, of Asheville, to address them and they whooped them up till a late hour. Their meeting was attended wholly by Republicans and a good many negroes. The speech of Mr. Rollins was devoted to a large extent to trying to convince his hearers that there was and had been no panic. Several of his hearers left him and came over to the Democratic meeting.

The Democrats had the advantage of the crowd and displayed more enthusiasm. The local band furnished music for the occasion and a good many Democrats from the country were present. Some local speakers were present and no time was given to argument but they devoted the time to telling the crowd what had been done to swell the Democratic vote in the county. The reports made were and compared with the crowd that McDowell would give a large majority for Democracy this year. The Democrats have made a very aggressive fight and have kept the Republicans on the defensive all through the campaign, and they are having effect. A good many Democrats have been staying at home for many nights, but this year not one of them will fail to vote and they are going to vote the ticket straight. The chief fight was on the office of sheriff, the importance of that office being recognized by both sides. The incumbent is a Republican and has held the office for two terms. He and his friends are nearly scared and are trying to save their office. The Democrats are well lined up and will not be caught by the same trick again. The whole Democratic ticket will carry this county from 150 to 200 majority, and when the Democrats once get control it will remain Democratic for this is a Democratic county.

PROCLAIMS GEORGIA WOMAN DEMMA.

She spent nearly all of the past few years of her life in New York. She was the author of one novel and was a frequent magazine contributor.

PLA ARE LITTLE CONCERNED ABOUT THE VOTE.

Both Parties Claim Utah.

Salt Lake City, Utah, Nov. 2.—Both parties confidently claim the State, the Republicans by 20,000 for the national ticket, and the Democrats by 5,000.

NEW BOOK BY FAMOUS AUTHOR.

Mrs. Mary J. Lincoln, author of the famous "Cook Book," has just written another "Cook Book," called "Pure Food Cook Book." It is intended to note that in a number of recipes Mrs. Lincoln has recommended the use of a vegetable oil cooking fat, called COTTOLIN. This is a new fat, made from hog fat is often impure and always indigestible. It is claimed for COTTOLIN, however, that it can be used in every way that lard is, that it makes light, rich, delicious pastry which can be digested with ease by the most delicate stomach, and that it is also more economical than lard, one-third less being required.

Seats will be placed on sale this morning at Hawley's for the engagement of "A Texas Ranger," which will be presented at the Academy of Music, Thursday, matinee and night.

"A Texas Ranger" is a melodrama of Western life near a military post and full of thrilling climaxes, startling situations, and laughable comedy. The matinee will be for ladies and children and popular prices will prevail.

"THE RUNAWAYS."

Musical comedies may come and musical comedies may go, but "The Runaways" will gallop on forever. That so far has been the record of the piece that helped to make the Casino, New York City, such a delightful place for smart Gothamites to go to, and it is the prediction for a long future career by well-known critics. The many bouquets that the critics of the larger cities have lavished upon "The Runaways" would fill a large size room and would fill the air with sweet aroma. It was at the Casino that "The Runaways" made its bow for recognition, and how brilliantly it scored in a matter of sweet financial recollection to the owners of both the play and the Casino. It ran for seven months at the Casino. Then it had to respond to urgent engagements in the larger cities of the North. Then it went back to the Casino, and back to the Casino again. Back again to dear Old Broadway it was called, and then—well, it was a rosette path it traced, pleasing millions and infatigating box office receipts. Then came its general road tour and as such, theatregoers here will have an opportunity Saturday matinee and night at the Academy of Music of enjoying song and wit, its beauty and merriment, its novelty and surprises. The company that will be seen in this city will be a large and most capable one.

140 YEARS

COL. JOSEPH WILLIAMS, of Revolutionary fame, commenced in 1768 the manufacture of Rye and Corn Whiskey, and ever since then the mission of "Old Nick Williams Whiskey" made every Southern Gentleman smile. Nearly three years ago the prohibition Legislature of North Carolina stopped us from manufacturing, but we have been allowed to ship off our stock. The demand being greater for cheap whiskey, we sold out all the new long ago, and now have only Old Stock to offer, and it must go, as the prohibitionists have confiscated the balance of our property. It has matured in wood, while stored in Government Warehouse for many years, right here on the same plantation, where it has been made by four (4) generations of the Williams Family, and nowhere else in the world. It will be shipped to you just as it comes out of the Government Warehouse. It must go, and you must be satisfied, or your money will be refunded.
